ABOUT THE PLAYLIST

This online recreation program guide is produced seasonally to support registration for recreation programs. The Playlist online resource is an efficient, sustainable and up-to-date shopping guide offering recreation opportunities for our growing community.

A community favorite since 2014, Your Playbook continues as a magazine-style book offering news and information about BPRD's projects, programs, places, people and activities and will be published twice a year for spring/summer and fall/winter.

Mark Your Calendar:
Winter-Spring 2027 registration opens December 8.

Winter and spring in Bend give us the best of both worlds. One day may bring fresh snow and the next a sunny afternoon, and many of us live for both!

I love that BPRD's facilities offer warm and welcoming places to stay active, find inspiration and connect with others throughout the season. The Pavilion feels especially inviting on a cold day, with friends and families gathered around the fire pit and activities carrying on well into the evening. Look for the new hockey practice lanes and the return of skate lessons, plus favorites like curling, ice skating and roller skating into spring.

There are so many opportunities to explore art and enrichment at the Art Station's new location next to Larkspur Community Center, as well as at Harmon Park Clay Studio and partner locations around town. I especially like the idea of a With A Child art class at the Art Station, then a quick walk over to the Larkspur pool for a swim and a few trips around the current channel.

As you look through these pages, I hope you find something that feels right for you. Maybe it's a familiar favorite, or maybe this is the season you decide to try something completely new. A series of classes can be a great way to build skills and confidence week after week.

And before we know it, longer days will arrive. The Winter-Spring Playlist also includes registration for spring sports, swimming and no-school Spring Break camps, so you can plan ahead.

Of course, recreation doesn't always require registration. BPRD's parks, trails and open spaces are here year-round, offering places to explore, gather or simply enjoy being outside.

I'll see you on the trails.

how to register

Winter-Spring 2027 Registration

Winter-Spring 2027 registration opens for January - early June programs and winter/spring sports leagues:

- **Tuesday, December 8 6:00 a.m.: Recreation, enrichment and sports camps, leagues, swim lessons and aquatics programs registration opens.** Leagues include adult ice and roller hockey, adult curling, adult cornhole, youth ice and roller hockey, youth lacrosse, youth indoor soccer.

Once opened, registration is ongoing throughout the season.

About Opening Day

When program registration opens, there can be very high demand for certain activities and a high volume of traffic on the BPRD registration website. To be prepared, please read our tips on pages 6 - 9.

Registration Options

If you are not able to register online, you can register in person at Juniper Swim & Fitness Center, Larkspur Community Center or the BPRD District Office. If you need further assistance, call Customer Service at 541-389-7275.

REGISTER ONLINE @:

register.bendparksandrec.org

New Accounts

You can go online or come in person to create a new account. New accounts created online must be verified for district residency and accuracy. NOTE: This process is normally completed in 24 hours.

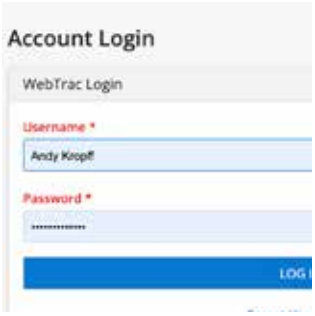
Out-of-District Fee Policy

Out-of-district residents do not pay property taxes that support the district and will be charged an additional 20% for most programs. If you need help determining if you live inside the district boundaries, call us at 541-389-7275.

Online Registration Instructions

1. Click on the "Register" link on our website or go directly to: register.bendparksandrec.org

Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center/Bend Senior Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.



2. Make sure all family members are added with correct birth dates and genders.

3. You can select/search for activities in one of three ways:

   - **Activity Search** (Fastest) – Enter the activity number (first six digits) in the search box and click on the Search button. The activity numbers are printed in this guide.

   - **Activity Index** – Activities can also be organized by season and title. Find the Activity Index in the Search menu.
   - **Type or Category** – Simply click on the name for the types of programs that interest you. Scroll down to view all the programs offered.

   You can further refine the search using the options at the top of the screen. These include day of week, age, gender and month.

Waitlists

If the registration for a program is listed as "full," be sure to add your name on the waitlist.

This important step lets us know you are interested if an opportunity becomes available.

If you are on a waitlist, be sure to check emails regularly for any notifications about activity openings.

Once a notification email is sent to you, you have 48 hours to respond and register, otherwise your held spot is forfeited.

Being on the waitlist does not guarantee placement in a program or commit you to participating.

Refund & Cancellation Policy

You may cancel a program at any time and are encouraged to do so as soon as possible to make space available for others. Credits and refunds will be granted as follows:

- Within 48 hours of registering: 100% of program fee.
- 15 days or more before program start date: 90% of program fee.
- 7 - 14 days before program start date: 75% of program fee.
- 6 days or less before program start: No credit or refund. It is extremely difficult to fill cancelled spaces with short notice.
- After start date: No credits, refunds or prorating of fees will be given for missed portions or early withdrawals.

Online Cancellations

If you need to cancel a registration, you can do so online.

Learn how to cancel on the Cancellation Policy & Instructions web page.

tips for

REGISTERING ON OPENING DAY

for an efficient & successful registration

Registration opening day is by far the busiest transaction day of the year at Bend Park & Recreation District. As our community grows, so has the amount of registration activity during the first hours a season's programs are made available.

So, to help everyone have the best experience possible, we've made improvements including staggered registration opening, upgraded technology and a virtual waiting room.

Read on to learn our tips and best practices for registering on opening day to help you find success.

REGISTER ONLINE:
https://register.bendparksandrec.org

REVIEW YOUR ACCOUNT

First things, first...make sure your BPRD account profiles and payment methods are up to date and ready to go:

1. Click on the "Register" link on the BPRD website or go directly to: https://register.bendparksandrec.org
2. Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.
3. Go to "My Account" followed by "Update: Household & Member" and make sure all family members are in your account with correct birth dates and genders. If needed, add a new household member or new person for child pickup by clicking on the buttons at the bottom of the page. Also review and if needed update your account address, phone, email and person information.

Once you've ensured your account is up to date, it's go time.

SET UP FOR SUCCESS

A few important recommendations:

1. Create a list of your priority activities and programs. More on that below.
2. Registration works best on a desktop computer or laptop. While you can use a mobile device, it's not the most efficient and some mobile devices with older apps or operating systems can have conflicts.
3. Use one web browser window with one tab open for registration. That one window and tab should be on the registration page. Close all other windows and tabs when it's time to register.
4. Be patient. You will likely need to wait in line in the virtual waiting room until it's your turn. If during registration your screen slows down dramatically or you see the spinning circle, it means the system is processing your request. Do not refresh your screen nor open another window, tab or computer – you will disrupt that process and likely lose your transaction.

BEFORE OPENING DAY

- View the programs on the online Playlist or linked to the registration website homepage and make a note of the Activity numbers and opening dates for the programs you want. One exception in the Playlist is Youth Swim Lessons – click the link in the online Playlist to view the offerings and Activity numbers.
- Have program Activity numbers (first 6 digits) ready when registration begins. Most of the Activity numbers are published in the online Playlist and are all available in the online program preview.
- Another method is to use the "Wishlist." Add the programs you want to your "Wishlist" in your account. At registration opening, you can go to your "Wishlist" and check availability of those specific programs, then add them to your shopping cart. As backup, it can be helpful to take a screenshot of your "Wishlist."
- Whether your list is on paper or digital, keep that list handy for registration opening day.
- Note programs that are a priority to you and your household.

ON OPENING DAY: DECEMBER 8

1. Log into your BPRD account. **If you log on before 6:00 a.m., you and any others will be randomized at 5:59 a.m.** After 6:00 a.m., the line will form one after another just like in person at the movie theater. The wait time may vary, but knowing how many are ahead of you will allow you to plan your morning.
2. Wait for your turn. The virtual waiting room is automated and there's nothing you need to do. If your computer or browser window unintentionally close or shut down, don't panic. Just turn the same device and browser back on and a helpful "cookie" will remember you and your place in line.
3. When it's your turn, add programs to your cart and register. The shopping and registration experience is consistent with past seasons. Use your "Wishlist" and click "Check Availability" or enter Activity #s to add to your shopping cart.
4. Starting with your priority programs, type the Activity number at the bottom of the registration menu, or from the search menu in the top navigation.

5. Select the check box next to your program.

6. Note the notification bar at the bottom of the screen and select 'Add to cart'.

   Confirm details/waivers/etc. for each of the participants.
7. If you have other priority programs you'd like to enroll in, click on the "Continue Shopping" button. Repeat above steps from entering in Activity number to adding the program into your cart. You can have multiple programs in your cart.
8. Once your priority activity or activities are in your cart, check out promptly so you get into the programs you want and your session isn't accidentally timed out due to inactivity. Important: your transaction must be completed before your enrollment is confirmed.
9. Look for your confirmation email.
10. After you've registered for your priority programs, now is the time to go back and shop for the programs that weren't your top priority, repeating the above steps.
11. When you complete your transaction(s), log out of your account. This step helps the virtual waiting room allow others in for their turn.

A virtual waiting room, Queue-it will be implemented at registration opening to help control traffic to the registration website.

ABOUT THE VIRTUAL WAITING ROOM

Queue-it is a virtual waiting room that serves as a line for our online registration process. It's automatic if you're on the registration website at opening, so there's nothing needed for you to do! Queue-it will display how many shoppers are in line in front of you and you will see the number get smaller until it is your turn.

Patience is appreciated as you wait. By providing information about how many others are in line ahead of you, it should help the morning go smoother.

Thank you for your cooperation.

Recreation Scholarships

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs. The goal is to remove financial barriers for community members with limited financial resources.

In the past year, more than 3,500 individuals have received financial support to participate in programs that provide safe, enriching activities and contribute to a physically active community.

ABOUT SCHOLARSHIPS:

- **Visit** bendparksandrec.org/scholarship **to download application forms** or pick up an application at the district office or recreation facilities.
- **You may submit your application at any time; allow at least one week for processing prior to registering for an activity.**
- Scholarships can be used by children, adults and families for most recreation programs and facility passes.
- Scholarship assistance ranges from 25 percent to 75 percent of the regular fee, depending on the applicant's level of need, and the specific activity or program.
- Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF or Oregon Health Plan and are a resident of Bend Park and Recreation District. Some school-based programs are exempt from the district resident requirement.
- Scholarships are valid for one year. You must reapply for renewal.

Bend Park & Recreation FOUNDATION GIVE PLAY

Everyone can play. Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

Art Station now open

After calling the historic train depot home for many years, the Art Station needed to move.

The Art Station is now open in its new home at Larkspur Park. Construction was completed in September and the first class, Intro to Adult & Teen Wheel Throwing, was held in the clay studio. Congratulations to the entire Art Station team on opening the doors to creativity!

ART & ENRICHMENT

In addition to clay, art and multimedia classes, select enrichment classes are also being held at the new Art Station. Clay programs are split between the new Art Station and the Harmon Park Clay Studio.

CLAY PARTIES

Clay parties are a great time for birthdays of all ages, holidays or other celebratory gathering like a "Girl's Night Out." Clay parties are available now on weekends at the Art Station. Visit bendparksandrec.org/artstation to learn more.

OPEN HOUSES

Join us at the Art Station for open house on the Second Saturday of the month from 1:00 - 3:00 pm, December through February.

Handmade Papermaking NEW

Ages: 16 & up

Art Station

Explore the basics of handmade papermaking using dried flower petals, seeds and recycled book and magazine pages. Learn to prepare pulp, use a mold and deckle to shape sheets, then couch and press them to remove water, incorporating natural and upcycled elements throughout. The class produces five decorative papers for framing or use as stationery, plus seed papers that can be planted later. Glass Arts

Fuse and Engrave a Glass Cameo NEW

Ages: All Adults

Art Station

Draw it, fuse it, engrave it! Turn an original design into a one-of-a-kind, three-dimensional glass cameo in this multi-session class led by two glass instructors. Designs might feature a loved one, a pet, a landscape or any subject of choice. Early sessions cover fusing layered colors of glass into blanks, the canvas for each design. Later sessions move to the cold shop, where engraving and texturing the layers of color reveal the drawing in relief. Participants finish with new skills spanning both warm and cold glass techniques. No glass experience needed. Basic drawing skills are helpful, and drawing assistance is available. All supplies provided. Instructors: Jamie Hedrick and Julie Wilson.

With inclusion, everybody benefits!

"True belonging doesn't require you to change who you are; it requires you to be who you are."
- Brené Brown

If you or your child has a disability and are interested in participating in a general program, we will help make it happen. When people with disabilities participate in general programs EVERYBODY benefits!

To ensure successful inclusion, we encourage you to check the box on the registration form that says "check here if you want an assessment team to contact you about disability accommodations." Someone from the Therapeutic Recreation Department will contact you to discuss what we can do to make your experience a success!

Art Station now open

After calling the historic train depot home for many years, the Art Station needed to move.

The Art Station is now open in its new home at Larkspur Park. Construction was completed in September and the first class, Intro to Adult & Teen Wheel Throwing, was held in the clay studio. Congratulations to the entire Art Station team on opening the doors to creativity!

ART & ENRICHMENT

In addition to clay, art and multimedia classes, select enrichment classes are also being held at the new Art Station. Clay programs are split between the new Art Station and the Harmon Park Clay Studio.

CLAY PARTIES

Clay parties are a great time for birthdays of all ages, holidays or other celebratory gathering like a "Girl's Night Out." Clay parties are available now on weekends at the Art Station. Visit bendparksandrec.org/artstation to learn more.

OPEN HOUSES

Join us at the Art Station for open house on the Second Saturday of the month from 1:00 - 3:00 pm, December through February.

Kooky Clay Creations

Beyond Boxes: Sculptures and Forms

NEW

Ages: 7 - 14

Harmon Clay Studio

Take clay projects through all the steps and create geometric boxes, forms and sculptures by using both the flexible flat clay pieces of soft slabs, and the leather-hard flat clay pieces of stiff slabs. By either sketching and planning original designs or working from provided templates, participants measure, cut, construct and decorate pre-rolled slabs into finished pieces. Cake slices and tiny houses are only a beginning; creations may be boxes with lids, candles, luminaries or objects of one's invention. All levels welcome. All supplies provided. Instructor: Cat Melone.

$149.00 ID $178.80 OD

Activity: 111139 - Opens December 8

F: 6:00 - 8:00 pm

Session: 2/19 - 3/12

Fairy Gardens

Ages: 7 - 14

Art Station

Make your own magical fairy garden! In the first class, sculpt and glaze a ceramic house. In the second class, fill your pot with dirt and bring it to life with fences, ladders, swings, benches and more. Built with your imagination, these sculptures are made to cherish. All supplies provided. Instructor: Amanda Krammes.

$89.00 ID $106.80 OD

Activity: 111249 - Opens December 8

Learn to Skate: Youth

Ages: 4 - 17

The Pavilion

Welcome to Skate School, where you will learn the FUNdamentals of ice skating!

This program offers progressive classes designed to increase your recreational skating experience and develop the basic skills that are fundamental to figure skating. Note: skaters may be moved by coaches during the session to a level that is most appropriate. Rental skates included.

Our ice skating lessons are...

- **Age Appropriate:** Most classes grouped by ages 4 - 5, 6 - 11 and 12 - 17.
- **Skill Appropriate**: Based on progressively learned skate skills.
- **Inclusive:** All ages and abilities welcome.
- **Healthy:** Regular skating practice develops strength, coordination, endurance and a happy mind!

Session dates and times vary - check Activity link for schedules.

REGISTRATION TIP: Prerequisites for each class are listed in the class description here and online. We encourage skaters to master each skill level before progressing to the next level.

Ready to Coach Youth Team Sports?

We need you!

Youth sport programs rely on hundreds of volunteers to coach teams and support players. If you enjoy sports and spending time with great kids, consider being a coach. Registration in sport programs is high and we want all kids to have the opportunity to play. We make it easy to be a coach and know it will be rewarding and fun! Volunteer coaches are needed for these winter and spring sport programs:

- Youth basketball
- Girls middle school basketball
- Youth lacrosse
- Middle school cheer

Sport experience preferred, but mostly need to enjoy working with kids. Application and background check required. Training and support provided. For more information, contact BPRD sports program staff at 541-693-1044 or sportsinfo@bendparksandrec.org

Swim Lessons: Frequently Asked Questions

When does registration begin?

Registration opens for swim lessons on Tuesday, December 8 at 6:00 a.m. and is ongoing.

How do I know what lesson to register my child for?

Come to a swim lesson assessment or read the prerequisite listed under the class description.

Why are swim lessons so popular?

Youth swim lessons are some of the most in-demand recreation programs in our community and highlight the importance of water safety skills. While lesson availability has improved from recent years, sometimes we're not able to meet all of the demand. If you are unable to get a spot, please sign up on a waitlist so that we know of your interest and can try to accommodate your child.

I am on a waitlist, what should I do?

If there is room for additional swimmers, we will email the waitlist participants in the order received. Ensure your registration account is set to receive emails and watch your email. Once an email notice is sent, you have 48 hours to register or your held spot will be forfeited.

What lesson level is my child signed up for?

At your lesson, the deck coordinator has the information and can help you find the appropriate class.

What if I don't remember what facility my lesson is at?

When you registered, you should have received an email receipt with your class location listed with the activity.

What do I do if I signed my child up for the wrong level?

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

I have multiple children and would like them in lessons at the same time.

Most of our lessons have the opportunity to occur at the same time. If you weren't able to sign up for the same time due to the class being full, we encourage you to place your child on the waitlist for the time you like and sign up for the class closest to that time. If the class has an opening, you will have the opportunity to transfer.

My child is signed up for a level they already passed.

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

Are private or semi-private swim lessons available?

We are unable to offer private or semi-private lessons at this time as group lessons are our priority.

Family Swim Lessons

Clases de Natacion para Familias en espanol / Family Swim Lesson in Spanish

Ages: **3 & up with Adult**

Juniper Swim and Fitness Center

Ofrecemos una clase para chicos y adultos, pensada para familias hispanohablantes, donde enseñamos natación de forma progresiva para que todas las personas puedan aprender y avanzar juntas. - Facility information: Pages 123 - 124.
- Fees: Pass or drop-in fee. See pages 114 - 116.

Ages: 16 & up; 15 - 12 with adult

DROP-IN CLASSES & SCHEDULES: Classes are held on a weekly basis. Check schedules at bendparksandrec.org/fitness-swim/. You can start at any time. Classes are offered on a first-come, first-served basis.

SAME INSTRUCTORS: Both locations feature the same great instructors.

ADVISED: We strongly recommend checking with your physician before starting any exercise program.

Cardio Fitness & Dance

Features: Move and groove with us. These classes are full of variety with dance, step, kickboxing and always your choice of high- or low-impact. Engage your muscles and get your heart pumping for increased strength and resilience.

More at: bendparksandrec.org/cardio

Indoor Cycling

Features: Experience the Ride! Based on a road cycling experience, indoor cycling is an individually paced, non-impact cardio workout. Classes are held in our theater-style indoor cycle studio with beautiful park views. Our state-of-the-art, Spinner® Chrono™ Power bikes use accurate power measurements and watts-based training, giving you the ability to customize the ride to meet your goals.

More at: bendparksandrec.org/indoor-cycling/

Mind & Body

Features: Rooted in traditional practices, Mind & Body classes aim to improve your overall health and well-being through stretching, focused breathing, relaxation techniques, movements and poses that bring flexibility and strength together to develop joint mobility. Yoga, Pilates, Tai Chi, meditation and other practices are known to support both physical and mental awareness and wellness.

More at: bendparksandrec.org/mind-and-body

Strength & Conditioning

Features: Improve your day-to-day function with strength and conditioning! Burn calories at a higher rate through resistance training and use a variety of equipment to increase your muscle strength, metabolic rate, endurance, bone density and balance.

More at: bendparksandrec.org/strength-and-conditioning

Water Fitness

Features: Water is a great equalizer! Help rehabilitate an injury, cross train to enhance athletic performance or simply enjoy the feel-good nature of a water workout. The buoyancy and natural resistance of the water creates an optimal exercise environment with little to no impact on your joints while improving cardio fitness and strengthening muscles. No swimming skills are needed and classes held in deep water use floatation devices. Water shoes recommended.

Park & Facility Rentals:

For Your Next Event

Consider a Bend Park and Recreation District facility or park for your special celebration, meeting or event. Offering a variety of buildings and places, BRPD has the rental spaces available to match your event needs.

HOLLINSHEAD BARN rests in a lush park in the heart of Bend. The two-story barn combines the charm of its historic origins with a cozy, intimate atmosphere. Inside, the barn has gorgeous wood floors, a kitchen and an ADA-accessible elevator to the second floor. The outdoor space features a fenced-in lawn, two patios and outdoor benches.

ASPEN HALL is located in beautiful Shevlin Park, just minutes from downtown. The hall features open-beamed ceilings, polished concrete floors with wood-framed windows and a full kitchen. Doors open out to a beautiful patio, towering pines, lawn and shimmering pond.

RIVERBEND COMMUNITY ROOM is located in the District Office and available for presentations, meetings or small events fall through spring. The room opens up to an outdoor plaza overlooking Riverbend Park.

THE PAVILION welcomes groups for birthday parties and other special events and the indoor party room and outdoor Little Pavilion can be included. In addition, the entire facility is available during the non-ice season for event rentals.

LARKSPUR COMMUNITY CENTER welcomes groups of various sizes for gatherings, celebrations, meetings and other events. The event room features a maple hardwood floor and natural light. Various smaller rooms are perfect for meetings and gatherings. All rooms feature audio-visual equipment; details available online.

PARKS & SPORTS FIELDS are available for rent. Fees are based on the size of your group, park amenities, type of function and duration of your event. Sports fields are available for rent seasonally from April 1 to October 31.

PARK PICNIC SHELTERS are a great option for a variety of events, including company picnics, birthday parties, family gatherings, weddings, receptions and more. Fees are based on the size of your group, event amenities and type of function.

ART, SKATE & POOL PARTIES can be great options for birthday parties and other celebrations. Held at recreation centers, activity-based parties are available for children and adults. View recreation center web pages at bendparksandrec.org to learn more.

Featured Trails

Hit the trails! Here are some favorites in the more than 80 miles of trails in the BPRD system.

Looking for more details and/or more trails?

An interactive map is available online at bendparksandrec.org and a print map is available at our facilities.

For additional information on parks and trails, visit bendparksandrec.org or call 541-389-7275.

TRAIL ACCESSIBILITY

It is the goal of Bend Park and Recreation District to provide trail access for all. However, some trails may present obstacles, running slopes, cross slopes, narrow tread widths and unstable surfaces, making them inaccessible for some users. Trails at Alpenglow, Farewell Bend, Riverbend, Pioneer and Pine Nursery parks offer the best access for visitors with mobility aids. Updated information about the condition and accessibility of trails is available by calling 541-389-7275. It is the trail user's responsibility to determine if trail difficulty is appropriate for their skill level.

DOGS ON TRAILS & IN PARKS

Unless otherwise indicated, dogs must be leashed on trails and in parks. Bend has nine areas for people to recreate with their dogs off-leash. Dogs are not allowed in Riley Ranch Nature Reserve.

Park & Trail Rules & Regulations

These rules are in place for the safety and enjoyment of all park users. Park users are responsible for knowing and following all park rules. This is a partial list. For the full rules and regulations text, call 541-389-7275 or visit our website at bendparksandrec.org/rules.

For non-emergency police matters, call 541-693-6911.

For emergencies, dial 911.

- Parks and trails are open 5:00 a.m. to 10:00 p.m. daily.
- City ordinances require that dogs must be on leash at all times within the city limits (except at designated off-leash areas) and their waste properly removed. Dog "rest stops" along the trails and in the parks provide you with disposal bags and trash cans. Dogs are allowed in all parks except for Riley Ranch Nature Reserve.
- Do not litter. Trash cans are located throughout the park system.
- Vehicles must remain on roadways or in parking areas. No parking on district property between 10:00 p.m. and 5:00 a.m.
- No camping, smoking or fires allowed. Alcoholic beverages allowed by permit only.
- Feeding geese, ducks, other waterfowl and wildlife is not allowed.
- Removing vegetation is not allowed.
- Propane cook stoves are allowed; charcoal grills are not allowed.
- Metal detectors allowed by permit only.
- The use of airborne projectiles, including golf and archery, is not allowed.
- Sales and concessions are allowed by permit only.

Trail Use:

- Some sections of the trail are on private property. Please stay on the designated trail.
- Areas along the river are sensitive wildlife habitat. Please do not walk along the river bank.
- Bicyclists are not allowed on some sections of the trails or in Riley Ranch Nature Reserve. Please observe pedestrian-only sections.
- No motorized vehicles allowed on trails.
