Opening New Online Registration System

Bend Park & Recreation District is happy to unveil a new online registration system for recreation programs. This new system is hosted on secure BPRD servers so there is no additional fee and no spam will be sent to participants. The new system is very easy to use and can be accessed at <https://register.bendparksandrec.org>. Patrons can go online now and set up their family accounts and view upcoming program information. Registration for winter/spring programs begins January 7 at 7:00 am PST. There will be no need to stand in line to register for BPRD programs, the online registration is real-time and includes all programs. People who have recently received new JSFC passes are already in the system. The new system can also be used to renew Juniper Swim & Fitness Center and Bend Senior Center passes, print a childcare statement (for qualified activities), view your family activity calendar and evaluate programs.

For more information contact Audrey Robeson, IT Manager, at 706-6133.
