Archery Grant

Easton Sports Development Foundation has awarded the Bend Park & Recreation District a \$4200 grant to purchase equipment for a new youth archery program. Easton is a manufacturer of archery equipment, targets and accessories. The youth archery program was set up with the help of another grant from the National Alliance for the Development of Archery and the National Park and Recreation Association. The program has been immensely popular. This additional grant allows for expansion of the program.

For more information contact Sue Jorgenson, Recreation Manager, at 706-6105.
