## **New Pilot Butte Playground Dedication**

On Tuesday, November 2 at 4 p.m. the Bend Park & Recreation District will help celebrate a new neighborhood park recently completed on the east side of Pilot Butte. The ceremony will be led by Oregon State Park officials with special guests from the Pilot Butte Partners and the Association of National Park Rangers.

Bend Park & Recreation District developed and will maintain the neighborhood park on the land owned by Oregon State Parks. New neighborhood park features include a playground, picnic shelter, picnic tables and a plaza space. The park is located near the existing restroom building.
