Volunteers with Dogs Needed

Bend Park & Recreation District is looking for a few volunteers with well trained dogs to assist with on-going goose management efforts. Volunteers will assist weekly in Bend parks throughout the spring and summer season. Volunteer training is required as part of this program. Herding dogs are preferred and all dogs must be able to respond to verbal commands. A volunteer application and background check are required.

For more information contact Paul Stell, Natural Resource Manager at (541) 388-5435.
