Community Tree Planting Events for Arbor Week

Bend Park & Recreation District is hosting its annual Arbor Week tree planting this week. Arbor Week is a time to recognize the contribution trees make to the quality of our lives. Over the years, local youth have planted thousands of pine seedlings in the burn at Shevlin Park. The free children's tree planting program at Shevlin Park is on April 6 - April 9 and includes an introductory interpretive talk, pine seedlings to plant and help planting. All interested families, youth groups and volunteers are invited to participate. Wear sturdy boots and pants. Bring gloves and a garden spade if possible. Meet in Shevlin Park at the covered bridge Wednesday, April 6 (12:00-5:30 pm), Thursday (3:00-5:30 pm), Friday (3:00-5:30 pm) and Saturday April 9 (9:00 am to 1:00pm).
