hello, summer.

I predict there are high hopes for summer 2022 in our community. Memorable experiences, new adventures and enjoying what makes Bend a wonderful place to call home are front and center for most of us. There's also renewed ability to plan ahead and be excited about recreation activities with friends and family.

Bend Park and Recreation District is happy to offer a robust selection of seasonal activities in Your Playbook. You'll find summer camps, swim lessons, art programs, information about drop-in activities and new summer programs at The Pavilion including roller sports and a perennial favorite - cornhole.

Our parks and trails are ready for you too, including the much-anticipated opening this summer of Alpenglow Community Park on 15th Street in Southeast Bend. This 37-acre park has a playground, event stage and lawn area, bouldering and climbing area, off-leash dog areas and our community's first splash pad. When the park opens, we hope you will visit and enjoy the stunning views of the mountains and Pilot Butte in a rapidly transforming part of town.

I hope this summer includes play for you and all members of your household.

With gratitude,

Don Horton, Executive Director

Refund & Cancellation Policy Updated

Bend Park and Recreation District recently updated its program refund and cancellation policy. The new policy goes into effect with summer program registration beginning April 5, 2022.

NEW REFUND & CANCELLATION POLICY:

You may cancel a program at any time and are encouraged to do so as soon as possible to make space available for others. As of April 5, 2022, credits and refunds will be granted as follows:

- Within 48 hours of registering: 100% of program fee
- 15 days or more before program start date: 90% of program fee
- 7 - 14 days before program start date: 75% of program fee
- 6 days or less before program start: No credit or refund. It is extremely difficult to fill cancelled spaces with short notice.
- After Start Date: No credits, refunds or prorating of fees will be given for missed portions or early withdrawals.

FREQUENTLY ASKED QUESTIONS:

Q: Why is the cancellation policy changed?

A: BPRD programs are highly sought after and often fill up quickly. Cancellations, especially those that occur closer to the start of the program, often result in program spaces going unfilled. There are also administrative costs associated with cancellations.

The policy provides more equitable access to registration programs by encouraging patrons to sign up for only those programs they are certain to participate in, providing opportunities for others to register.

Q: How do I cancel online once I have been through the checkout process?

A: We know that situations and plans can change and we encourage you to cancel as soon as you can to avoid additional costs and to free up program space for others. Cancellations can be made online through your BPRD registration website account, or by talking to customer service staff by phone or in person at any district facility. The new online capability provides more flexibility if an individual or household's situation necessitates a change or cancellation.

Recreation Scholarships

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs.

The goal is to remove financial barriers for community members with limited financial resources. In the past year, approximately 700 individuals and families have participated in programs with support that provides safe, enriching activities and contribute to a physically active community.

ABOUT SCHOLARSHIPS:

- Visit bendparksandrec.org/scholarship to download application forms or pick up an application at the district office or recreation facilities.
- You may submit your application at any time; allow at least one week for processing prior to registering for an activity.
- Scholarships can be used by children, adults and families for most recreation programs and facility passes.
- Scholarship assistance ranges from 25 percent to 75 percent of the regular fee, depending on the applicant's level of need, and the specific activity or program.
- Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF, Oregon Health Plan, or Free and Reduced School Lunch.
- Scholarships are valid for one year. You must reapply for renewal.

Everyone can play. Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

With inclusion, everybody benefits!

If you or your child has a disability and are interested in participating in a general program, we will help make it happen. When people with disabilities participate in general programs EVERYBODY benefits! To ensure successful inclusion, we encourage you to check the box on the registration form that says "check here if you want an assessment team to contact you about disability accommodations." Someone from the Therapeutic Recreation Department will contact you to discuss what we can do to make your experience a success!

"It's not our disabilities, it's our abilities that count."

Frequently Asked Questions

When does registration begin?

Registration opens April 5 at 6:00 a.m. and is ongoing.

Why are swim lessons so popular? I can't seem to get my child registered.

Youth swim lessons are some of the most in-demand recreation programs in our community. There are several reasons why. The facility shutdown of the pandemic coupled with area population growth created a backlog of children needing lessons. Now, current staffing challenges do not support offering a full schedule of lessons. If you are unable to get a spot, please sign up on a waitlist so that we know of your interest and can try to accommodate your child. We appreciate everyone's understanding as we try our best to remedy this situation.

I am on a waitlist, what should I do?

If there is room for additional swimmers, we will call the waitlist participants in the order received.

Where do I enter for swim lessons? How do I know where my class is?

Enter through the north lobby at Juniper and the main lobby at Larkspur, off of the 15th Street entrance. Check in with customer service and proceed to the pool deck to meet your class. There are signs on the deck that have the level of swim lesson at a meeting spot where you will meet each time.

What lesson level is my child signed up for?

At your lesson, the deck supervisor has the information and can help you find the appropriate class.

I don't remember what facility my lesson is at?

When you registered, you should have received an e-mail receipt with your class location listed with the activity.

You can also look up your registration information on the registration site, <https://register.bendparksandrec.org>. Once logged in, select "my account" in the top menu and select "Household Calendar" under "Reports". Select one or all fields in the "Select Output" field and the applicable months in the "Select Months" field. Then, select "Yes" in the "Print Location/Extra Information Line:" field. You will then receive a report in your household's e-mail account. If you still need assistance, customer service can assist you by e-mail or phone.

What do I do if I signed my child up for the wrong level?

Contact customer service and ask about updating the customer question on your swim lesson registration.

I have multiple children and would like them in lessons at the same time.

Most of our lessons have the opportunity to occur at the same time. If you weren't able to sign up for the same time due to the class being full, we encourage you to place your child on the waitlist for the time you like and sign up for the class closest to that time. If the class has an opening, you will have the opportunity to transfer.

My child is signed up for a level that they already passed.

Contact customer service and ask about updating the customer question on your swim lesson registration.
