August 4 - 5.

Another busy summer is underway at Bend Park and Recreation District and we are looking ahead to fall. With its not-too-distant arrival comes a fresh season of activities and programs for us to enjoy together. As we soon welcome the changing colors and crisp air, I'm excited to introduce the latest Playlist—your guide to seasonal fun, creativity, and connection with us. It's a chance to spend quality time with family or friends - and maybe even meet a new one or two along the way.

This fall, we're debuting several new classes including Stained Glass Mosaic Wreath, Girls Hockey Development Program and Gratitude and Growth. These offerings are just a few of the many new ways to engage your creativity, sportsmanship and/or sense of community. You'll notice many other new classes as well as you dive into the Playlist.

You'll also see the return of popular favorites like With A Child: Mini-Pumpkin Halloween Arrangement, Bitty Ball and High School Basketball Leagues, Therapeutic Recreation's Night at the Pool, Learn to Curl and Clay Date: Workshop for Two.

With hundreds of options for all ages and interests, there's something this season for everyone. Don't forget the many parks and trails we provide to keep you moving and loving the outdoors all year long.

We're glad you're here—let's make it a great fall together.

tips for

REGISTERING ON OPENING DAYS

for an efficient & successful registration

Registration opening days are by far the busiest transaction days of the year at Bend Park & Recreation District. As our community grows, so has the amount of registration activity during the first hours a season's programs are made available.

So, to help everyone have the best experience possible, we've made improvements including staggered registration opening, upgraded technology and a virtual waiting room.

Read on to learn our tips and best practices for registering on opening day to help you find success.

**REGISTER
ONLINE:**

[https://register.
bendparksandrec.org](https://register.bendparksandrec.org)

REVIEW YOUR ACCOUNT

First things, first...make sure your BPRD account profiles and payment methods are up to date and ready to go:

1. Click on the "Register" link on the BPRD website or go directly to: <https://register.bendparksandrec.org>
2. Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center/Bend Senior Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.
3. Go to "My Account" followed by "Update: Household & Member" and make sure all family members are in your account with correct birth dates and genders. If needed, add a new household member or new person for child pickup by clicking on the buttons at the bottom of the page. Also review and if needed update your account address, phone, email and person information.

Once you've ensured your account is up to date, it's go time.

SET UP FOR SUCCESS

A few important recommendations:

1. Create a list of your priority activities and programs. More on that below.
2. Registration works best on a desktop computer or laptop. While you can use a mobile device, it's not the most efficient and some mobile devices with older apps or operating systems can have conflicts.
3. Use one web browser window with one tab open for registration. That one window and tab should be on the registration page. Close all other windows and tabs when it's time to register.
4. Be patient. You will likely need to wait in line in the virtual waiting room until it's your turn. If during registration your screen slows down dramatically or you see the spinning circle, it means the system is processing your request. Do not refresh your screen nor open another window, tab or computer - you will disrupt that process and likely lose your transaction.

BEFORE OPENING DAYS

- View the programs on the online Playlist or linked to the registration website homepage and make a note of the Activity numbers for the programs you want. One exception in the Playlist is Youth Swim Lessons - click the link in the online Playlist to view the offerings and Activity numbers.
- Have program Activity numbers (first 6 digits) ready when registration begins. Most of the Activity numbers are published in the online Playlist and are all available in the online program preview.
- Another method is to use the "Wishlist." Add the programs you want to your "Wishlist" in your account. At registration opening, you can go to your "Wishlist" and check availability of those specific programs, then add them to your shopping cart. As backup, it can be helpful to take a screenshot of your "Wishlist."
- Whether your list is on paper or digital, keep that list handy for registration opening day.
- Note programs that are a priority to you and your household.

ON OPENING DAYS: AUGUST 4 - 5

1. Log into your BPRD account. **If you log on before 6:00 a.m., you and any others will be randomized at 5:59 a.m.** After 6:00 a.m., the line will form one after another just like in person at the movie theater. The wait time may vary, but knowing how many are ahead of you will allow you to plan your morning.
2. Wait for your turn. The virtual waiting room is automated and there's nothing you need to do. If your computer or browser window unintentionally close or shut down, don't panic. Just turn the same device and browser back on and a helpful "cookie" will remember you and your place in line.
3. When it's your turn, add programs to your cart and register. The shopping and registration experience is consistent with past seasons. Use your "Wishlist" and click "Check Availability" or enter Activity #s to add to your shopping cart.
4. Starting with your priority programs, type the Activity number at the bottom of the registration menu, or from the search menu in the top navigation.
5. Select the check box next to your program.
6. Note the notification bar at the bottom of the screen and select 'Add to cart'.
7. If you have other priority programs you'd like to enroll in, click on the "Continue Shopping" button. Repeat above steps from entering in Activity number to adding the program into your cart. You can have multiple programs in your cart.
8. Once your priority activity or activities are in your cart, check out promptly so you get into the programs you want and your session isn't accidentally timed out due to inactivity. Important: your transaction must be completed before your enrollment is confirmed.
9. Look for your confirmation email.
10. After you've registered for your priority programs, now is the time to go back and shop for the programs that weren't your top priority, repeating the above steps.
11. When you complete your transaction(s), log out of your account. This step helps the virtual waiting room allow others in for their turn.

Confirm details/waivers/etc. for each of the participants.

7. If you have other priority programs you'd like to enroll in, click on the "Continue Shopping" button. Repeat above steps from entering in Activity number to adding the program into your cart. You can have multiple programs in your cart.
8. Once your priority activity or activities are in your cart, check out promptly so you get into the programs you want and your session isn't accidentally timed out due to inactivity. Important: your transaction must be completed before your enrollment is confirmed.
9. Look for your confirmation email.
10. After you've registered for your priority programs, now is the time to go back and shop for the programs that weren't your top priority, repeating the above steps.
11. When you complete your transaction(s), log out of your account. This step helps the virtual waiting room allow others in for their turn.

A virtual waiting room, Queue-it will be implemented at registration opening to help control traffic to the registration website.

Select	Activity #	Description
<input checked="" type="checkbox"/>	111244-01	Intermediate Young Jewelers

ABOUT THE VIRTUAL WAITING ROOM

Queue-it is a virtual waiting room that serves as a line for our online registration process. It's automatic if you're on the registration website at opening, so there's nothing needed for you to do! Queue-it will display how many shoppers are in line in front of you and you will see the number get smaller until it is your turn.

Patience is appreciated as you wait. By providing information about how many others are in line ahead of you, it should help the morning go smoother.

High demand is still expected, but with two days of staggered registration programs, the activity will be spread across two mornings

Thank you for your cooperation.

Recreation Scholarships

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs. The goal is to remove financial barriers for community members with limited financial resources.

In the past year, more than 3,500 individuals have received financial support to participate in programs that provide safe, enriching activities and contribute to a physically active community.

ABOUT SCHOLARSHIPS:

- Visit bendparksandrec.org/scholarship to download application forms or pick up an application at the district office or recreation facilities.
- **You may submit your application at any time; allow at least one week for processing prior to registering for an activity.**
- Scholarships can be used by children, adults and families for most recreation programs and facility passes.
- Scholarship assistance ranges from 25 percent to 75 percent of the regular fee, depending on the applicant's level of need, and the specific activity or program.
- Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF or Oregon Health Plan and are a resident of Bend Park and Recreation District. Some school-based programs are exempt from the district resident requirement.
- Scholarships are valid for one year. You must reapply for renewal.

Everyone can play. Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

Swim Lessons: Frequently Asked Questions

When does registration begin?

Registration opens Tuesday, August 5 at 6:00 a.m. and is ongoing.

How do I know what lesson to register my child for?

Come to a swim lesson assessment or read the prerequisite listed under the class description.

Why are swim lessons so popular?

Youth swim lessons are some of the most in-demand recreation programs in our community. Area population growth continues to have a high impact on the demand for children needing lessons. Even with a full schedule of lessons, we're not able to meet all of the demand, but it is improving. If you are unable to get a spot, please sign up on a waitlist so that we know of your interest and can try to accommodate your child.

I am on a waitlist, what should I do?

If there is room for additional swimmers, we will email the waitlist participants in the order received. Keep your eye on your email. Once an email notice is sent, you have 48 hours to register or your held spot will be forfeited.

What lesson level is my child signed up for?

At your lesson, the deck coordinator has the information and can help you find the appropriate class.

What if I don't remember what facility my lesson is at?

When you registered, you should have received an e-mail receipt with your class location listed with the activity.

What do I do if I signed my child up for the wrong level?

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

I have multiple children and would like them in lessons at the same time.

Most of our lessons have the opportunity to occur at the same time. If you weren't able to sign up for the same time due to the class being full, we encourage you to place your child on the waitlist for the time you like and sign up for the class closest to that time. If the class has an opening, you will have the opportunity to transfer.

My child is signed up for a level they already passed.

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

Are private or semi-private swim lessons available?

We are unable to offer private or semi-private lessons at this time as group lessons are our priority.

TRAIL ACCESSIBILITY

It is the goal of Bend Park and Recreation District to provide trail access for all. However, some trails may present obstacles, running slopes, cross slopes, narrow tread widths and unstable surfaces, making them inaccessible for some users. Trails at Alpenglow, Farewell Bend, Riverbend, Pioneer and Pine Nursery parks offer the best access for visitors with mobility aids. Updated information about the condition and accessibility of trails is available by calling 541-389-7275. It is the trail user's responsibility to determine if trail difficulty is appropriate for their skill level.

DOGS ON TRAILS & IN PARKS

Unless otherwise indicated, dogs must be leashed on trails and in parks. Bend has nine areas for people to recreate with their dogs off-leash. Dogs are not allowed in Riley Ranch Nature Reserve.
