ABOUT THE PLAYLIST

This online recreation program guide is produced seasonally to support registration for recreation programs. The Playlist online resource is an efficient, sustainable and up-to-date shopping guide offering recreation opportunities for our growing community.

A community favorite since 2014, Your Playbook continues as a magazine-style book offering news and information about BPRD's projects, programs, places, people and activities and will be published twice a year for spring/summer and fall/winter.

an artsy autumn of play

There's an energy that comes with fall with the return to school, familiar routines and new opportunities to learn and grow. It's my favorite time of year, and one of the best times to enjoy Bend's trails, parks and indoor activities too. The air is crisp, the colors are changing, and the summer crowds have thinned.

I am excited to announce the opening of the new Art Station this fall. The Art Station brings BPRD's arts programs together and expands opportunities to create, learn and connect. You'll find returning favorites like Day Clay and Art-rageous youth no-school day camp, along with new offerings such as field sketching, nature journaling, photography and Bad Art Club. I recently read about a University College London study suggesting that regular engagement with art and culture may support healthy aging much like exercise does. Whether or not that's the reason you pick up a sketchbook, chunk of clay or camera, it's a reminder of the value creativity brings to our well-being.

There's something for every age this fall, from ice sports and swimming to basketball and sports clinics to keep kids and adults moving. And our crafts and cooking classes celebrate the flavors of the season. My mouth is already watering at the thought of the Earl Grey Cream Pie class.

Parents and guardians may also be pleased to find space available in many popular programs, including youth swim lessons and Kids Inc. and Busy Buddies childcare. Program openings often pop up throughout the season, so it's not too late to find your spot.

I hope you'll find inspiration in these pages and discover something new this fall.

I'll see you on the trails.

how to register

Fall 2026 Registration

Fall 2026 registration opens for September -December programs and fall/winter sports leagues:

- **Tuesday, August 4**
6:00 a.m.: Recreation, enrichment and sports camps, leagues, swim lessons and aquatics programs registration opens. Leagues include adult ice hockey, adult curling, youth indoor soccer, youth volleyball and youth/middle school/high school basketball.

Once opened, registration is ongoing throughout the season.

About Opening Day

When program registration opens, there can be very high demand for certain activities and a high volume of traffic on the BPRD registration website. To be prepared, please read our tips on pages 6 - 9.

Registration Options

If you are not able to register online, you can register in person at Juniper Swim & Fitness Center, Larkspur Community Center or the BPRD District Office. If you need further assistance, call Customer Service at 541-389-7275.

**REGISTER
ONLINE @:**

[register.
bendparksandrec.org](https://register.bendparksandrec.org)

New Accounts

You can go online or come in person to create a new account. New accounts created online must be verified for district residency and accuracy. NOTE: This process is normally completed in 24 hours.

Out-of-District Fee Policy

Out-of-district residents do not pay property taxes that support the district and will be charged an additional 20% for most programs. If you need help determining if you live inside the district boundaries, call us at 541-389-7275.

Online Registration Instructions

1. Click on the "Register" link on our website or go directly to: register.bendparksandrec.org

REGISTER

Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center/Bend Senior Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.

2. Make sure all family members are added with correct birth dates and genders.

3. You can select/search for activities in one of three ways:

- › **Activity Search** (Fastest) – Enter the activity number (first six digits) in the search box and click on the Search button. The activity numbers are printed in this guide.

- › **Activity Index** – Activities can also be organized by season and title. Find the Activity Index in the Search menu.
- › **Type or Category** – Simply click on the name for the types of programs that interest you. Scroll down to view all the programs offered.

You can further refine the search using the options at the top of the screen. These include day of week, age, gender and month.

Waitlists

If the registration for a program is listed as “full,” be sure to add your name on the waitlist.

This important step lets us know you are interested if an opportunity becomes available.

If you are on a waitlist, be sure to check emails regularly for any notifications about activity openings.

Once a notification email is sent to you, you have 48 hours to respond and register, otherwise your held spot is forfeited.

Being on the waitlist does not guarantee placement in a program or commit you to participating.

Refund & Cancellation Policy

You may cancel a program at any time and are encouraged to do so as soon as possible to make space available for others. Credits and refunds will be granted as follows:

- Within 48 hours of registering: 100% of program fee.
- 15 days or more before program start date: 90% of program fee.
- 7 - 14 days before program start date: 75% of program fee.
- 6 days or less before program start: No credit or refund. It is extremely difficult to fill cancelled spaces with short notice.
- After start date: No credits, refunds or prorating of fees will be given for missed portions or early withdrawals.

Online Cancellations

If you need to cancel a registration, you can do so online.

Learn how to cancel on the [Cancellation Policy & Instructions web page](#).

Registration Info Night English & Spanish

Wednesday, July 29, 5:00 - 6:30 pm | Free

Larkspur Community Center, 1600 SE Reed Market Rd.

Are you prepared for the upcoming program registration? First-time registering? Or do you need inclusion services or to apply for scholarships (financial assistance) for programs?

Attend BPRD's Registration Info Night on July 29, 5:00 - 6:30 p.m., at Larkspur Community Center and we can help you get ready for program registration.

With English and Spanish language services available, staff can set up/update your account, provide activity details, help build your wish list, and assist with the scholarship process as needed. You can also learn about therapeutic recreation programs for those with disabilities and inclusion services.

While you're there, enjoy a kids' craft activity, treats and beverages, enter a raffle drawing for a BPRD gift certificate and more.

tips for

REGISTERING ON OPENING DAY

for an efficient & successful registration

Registration opening day is by far the busiest transaction day of the year at Bend Park & Recreation District. As our community grows, so has the amount of registration activity during the first hours a season's programs are made available.

So, to help everyone have the best experience possible, we've made improvements including staggered registration opening, upgraded technology and a virtual waiting room.

Read on to learn our tips and best practices for registering on opening day to help you find success.

REGISTER ONLINE:

[https://register.
bendparksandrec.org](https://register.bendparksandrec.org)

REVIEW YOUR ACCOUNT

First things, first...make sure your BPRD account profiles and payment methods are up to date and ready to go:

1. Click on the "Register" link on the BPRD website or go directly to: <https://register.bendparksandrec.org>
2. Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.
3. Go to "My Account" followed by "Update: Household & Member" and make sure all family members are in your account with correct birth dates and genders. If needed, add a new household member or new person for child pickup by clicking on the buttons at the bottom of the page. Also review and if needed update your account address, phone, email and person information.

Once you've ensured your account is up to date, it's go time.

SET UP FOR SUCCESS

A few important recommendations:

1. Create a list of your priority activities and programs. More on that below.
2. Registration works best on a desktop computer or laptop. While you can use a mobile device, it's not the most efficient and some mobile devices with older apps or operating systems can have conflicts.
3. Use one web browser window with one tab open for registration. That one window and tab should be on the registration page. Close all other windows and tabs when it's time to register.
4. Be patient. You will likely need to wait in line in the virtual waiting room until it's your turn. If during registration your screen slows down dramatically or you see the spinning circle, it means the system is processing your request. Do not refresh your screen nor open another window, tab or computer - you will disrupt that process and likely lose your transaction.

BEFORE OPENING DAY

- View the programs on the online Playlist or linked to the registration website homepage and make a note of the Activity numbers and opening dates for the programs you want. One exception in the Playlist is Youth Swim Lessons - click the link in the online Playlist to view the offerings and Activity numbers.
- Have program Activity numbers (first 6 digits) ready when registration begins. Most of the Activity numbers are published in the online Playlist and are all available in the online program preview.
- Another method is to use the "Wishlist." Add the programs you want to your "Wishlist" in your account. At registration opening, you can go to your "Wishlist" and check availability of those specific programs, then add them to your shopping cart. As backup, it can be helpful to take a screenshot of your "Wishlist."
- Whether your list is on paper or digital, keep that list handy for registration opening day.
- Note programs that are a priority to you and your household.

ON OPENING DAY: AUGUST 4

1. Log into your BPRD account. **If you log on before 6:00 a.m., you and any others will be randomized at 5:59 a.m.** After 6:00 a.m., the line will form one after another just like in person at the movie theater. The wait time may vary, but knowing how many are ahead of you will allow you to plan your morning.
2. Wait for your turn. The virtual waiting room is automated and there's nothing you need to do. If your computer or browser window unintentionally close or shut down, don't panic. Just turn the same device and browser back on and a helpful "cookie" will remember you and your place in line.
3. When it's your turn, add programs to your cart and register. The shopping and registration experience is consistent with past seasons. Use your "Wishlist" and click "Check Availability" or enter Activity #s to add to your shopping cart.
4. Starting with your priority programs, type the Activity number at the bottom of the registration menu, or from the search menu in the top navigation.
5. Select the check box next to your program.
6. Note the notification bar at the bottom of the screen and select 'Add to cart'.
7. If you have other priority programs you'd like to enroll in, click on the "Continue Shopping" button. Repeat above steps from entering in Activity number to adding the program into your cart. You can have multiple programs in your cart.
8. Once your priority activity or activities are in your cart, check out promptly so you get into the programs you want and your session isn't accidentally timed out due to inactivity. Important: your transaction must be completed before your enrollment is confirmed.
9. Look for your confirmation email.
10. After you've registered for your priority programs, now is the time to go back and shop for the programs that weren't your top priority, repeating the above steps.
11. When you complete your transaction(s), log out of your account. This step helps the virtual waiting room allow others in for their turn.

Confirm details/waivers/etc. for each of the participants.

Select	Activity #	Description
☒	111244-01	Intermediate Young Jewelers

A virtual waiting room, Queue-it will be implemented at registration opening to help control traffic to the registration website.

ABOUT THE VIRTUAL WAITING ROOM

Queue-it is a virtual waiting room that serves as a line for our online registration process. It's automatic if you're on the registration website at opening, so there's nothing needed for you to do! Queue-it will display how many shoppers are in line in front of you and you will see the number get smaller until it is your turn.

Patience is appreciated as you wait. By providing information about how many others are in line ahead of you, it should help the morning go smoother.

Thank you for your cooperation.

Recreation Scholarships

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs. The goal is to remove financial barriers for community members with limited financial resources.

In the past year, more than 3,100 individuals have received financial support to participate in programs that provide safe, enriching activities and contribute to a physically active community.

ABOUT SCHOLARSHIPS:

- Visit bendparksandrec.org/scholarship to download application forms or pick up an application at the district office or recreation facilities.
- **You may submit your application at any time; allow at least one week for processing prior to registering for an activity.**
- Scholarships can be used by children, adults and families for most recreation programs and facility passes.
- Scholarship assistance ranges from 25 percent to 75 percent of the regular fee, depending on the applicant's level of need, and the specific activity or program.
- Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF or Oregon Health Plan and are a resident of Bend Park and Recreation District. Some school-based programs are exempt from the district resident requirement.
- Scholarships are valid for one year. You must reapply for renewal.

Everyone can play. Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

Art Station opens this fall

After calling the historic train depot home for many years, the Art Station needed to move.

Good news though! The Art Station is getting a new home at Larkspur Park. Construction will be completed soon and programs are scheduled in the new building in second half of September.

ART & ENRICHMENT

In addition to clay, art and multimedia classes, select enrichment classes will also be held at the new Art Station. Clay programs will be split between the new Art Station and the Harmon Park Clay Studio.

ART PARTIES

Art parties are a great time for all ages. Clay parties are available now on Sundays at Harmon Park Clay Studio, and more opportunities will be available when the Art Station opens this fall. Visit bendparksandrec.org/artstation to learn more.

OPENING CELEBRATION & OPEN HOUSES

Join us on October 11 at the new Art Station for an opening celebration. In addition, look for open houses to be held on the Second Saturday of the month.

Fall Harvest Wreath Making

Ages: 14 & up

Art Station

Celebrate the beauty of the season with your very own handcrafted harvest wreath. Using a curated selection of dried florals, foliage and natural elements inspired by autumn, create a one-of-a-kind wreath reflecting your personal style. Whether your design is rustic and earthy or full of rich seasonal color, this step-by-step class guides you through every decision. No experience needed; just come ready to relax, get creative and enjoy the cozy atmosphere. Leave with a stunning handmade wreath perfect for your home or as a gift. All supplies provided. With inclusion, everybody benefits!

If you or your child has a disability and are interested in participating in a general program, we will help make it happen. When people with disabilities participate in general programs **EVERYBODY** benefits!

To ensure successful inclusion, we encourage you to check the box on the registration form that says "check here if you want an assessment team to contact you about disability accommodations." Someone from the Therapeutic Recreation Department will contact you to discuss what we can do to make your experience a success!

"True belonging
doesn't require you
to change who you
are; it requires you
to be who you are."

Art Station opens this fall

After calling the historic train depot home for many years, the Art Station needed to move.

Good news though! The Art Station is getting a new home at Larkspur Park. Construction will be completed soon and programs are scheduled in the new building in second half of September.

ART & ENRICHMENT

In addition to clay, art and multimedia classes, select enrichment classes will also be held at the new Art Station. Clay programs will be split between the new Art Station and the Harmon Park Clay Studio.

ART PARTIES

Art parties are a great time for all ages. Clay parties are available now on Sundays at Harmon Park Clay Studio, and more opportunities will be available when the Art Station opens this fall. Visit bendparksandrec.org/artstation to learn more.

OPENING CELEBRATION & OPEN HOUSES

Join us on October 11 at the new Art Station for an opening celebration. In addition, look for open houses to be held on the Second Saturday of the month.

2026 - 2027 Youth Sports Leagues Registration Deadlines

Youth sports leagues are filled with great fun and action! In order for staff to get leagues properly organized for all the teams, uniforms, gear, coaches, practices and games, registration needs to be in advance of the season - sometimes several months ahead. So that you and your child don't miss out, make note of the important deadlines below, register on time and get on the team!

- All registrations are dependent on availability; some leagues fill faster than others.
- Registration deadlines are typically on Sundays at 11:59 p.m.
- Hold periods are needed to organize registrants and teams and determine if space availability.
- When a hold period is over, registration or a wait list will be available on re-opening.

Ready to Coach Youth Team Sports?

We need you!

Youth sport programs rely on hundreds of volunteers to coach teams and support players. If you enjoy sports and spending time with great kids, consider being a coach. Registration in sport programs is high and we want all kids to have the opportunity to play. We make it easy to be a coach and we know it will be rewarding and fun! Volunteer coaches are needed for these fall sport programs:

- Youth flag football
- Girl's flag football
- Youth soccer
- Kindergarten soccer
- Middle school tennis
- Youth volleyball
- Youth ice hockey

Sport experience preferred, but mostly need to enjoy working with kids. Application and background check required. Training and support provided. For more information, contact BPRD sports program staff at 541-693-1044 or sportsinfo@bendparksandrec.org

Swim Lessons: Frequently Asked Questions

When does registration begin?

Registration opens for swim lessons on Tuesday, August 4 at 6:00 a.m. and is ongoing.

How do I know what lesson to register my child for?

Come to a swim lesson assessment or read the prerequisite listed under the class description.

Why are swim lessons so popular?

Youth swim lessons are some of the most in-demand recreation programs in our community and highlight the importance of water safety skills.

While lesson availability has improved from recent years, sometimes we're not able to meet all of the demand. If you are unable to get a spot, please sign up on a waitlist so that we know of your interest and can try to accommodate your child.

I am on a waitlist, what should I do?

If there is room for additional swimmers, we will email the waitlist participants in the order received. Ensure your registration account is set to receive emails and watch your email. Once an email notice is sent, you have 48 hours to register or your held spot will be forfeited.

What lesson level is my child signed up for?

At your lesson, the deck coordinator has the information and can help you find the appropriate class.

What if I don't remember what facility my lesson is at?

When you registered, you should have received an email receipt with your class location listed with the activity.

What do I do if I signed my child up for the wrong level?

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

I have multiple children and would like them in lessons at the same time.

Most of our lessons have the opportunity to occur at the same time. If you weren't able to sign up for the same time due to the class being full, we encourage you to place your child on the waitlist for the time you like and sign up for the class closest to that time. If the class has an opening, you will have the opportunity to transfer.

My child is signed up for a level they already passed.

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

Are private or semi-private swim lessons available?

We are unable to offer private or semi-private lessons at this time as group lessons are our priority.

Family Swim Lessons

Clases de Natacion para Familias en espanol / Family Swim Lesson in Spanish

Ages: 3 & up

Juniper Swim and Fitness Center

Ofrecemos una clase para chicos y adultos, pensada para familias hispanohablantes, donde enseñamos natación de forma progresiva para que todas las personas puedan aprender y avanzar juntas. Dado que ésta es la única clase de natación en español, se da prioridad a las familias hispanohablantes. Incluye la entrada al horario de recreación para el público en general que inicia inmediatamente después de la clase.

Designed for Spanish-speaking families, this combined youth and adult class offers progressive swim instruction for the whole family. Since this is the only swim lesson in Spanish, registration is prioritized for Spanish-speaking families. Includes admission to Open Recreation Swim immediately after class.

Pages 107 - 108.
- Fees: Pass or drop-in fee.
See pages 98 - 100.

Ages: 16 & up; 15 - 12 with adult

DROP-IN CLASSES & SCHEDULES:

Classes are held on a weekly basis. Check schedules at bendparksandrec.org/fitness-swim/. You can start at any time. Classes are offered on a first-come, first-served basis.

SAME INSTRUCTORS: Both locations feature the same great instructors.

ADVISED: We strongly recommend checking with your physician before starting any exercise program.

Cardio Fitness & Dance

Features: Move and groove with us. These classes are full of variety with dance, step, kickboxing and always your choice of high- or low-impact. Engage your muscles and get your heart pumping for increased strength and resilience.

More at: bendparksandrec.org/cardio

Indoor Cycling

Features: Experience the Ride! Based on a road cycling experience, indoor cycling is an individually paced, non-impact cardio workout. Classes are held in our theater-style indoor cycle studio with beautiful park views. Our state-of-the-art, Spinner® Chrono™ Power bikes use accurate power measurements and watts-based training, giving you the ability to customize the ride to meet your goals.

More at: bendparksandrec.org/indoor-cycling/

Mind & Body

Features: Rooted in traditional practices, Mind & Body classes aim to improve your overall health and well-being through stretching, focused breathing, relaxation techniques, movements and poses that bring flexibility and strength together to develop joint mobility. Yoga, Pilates, Tai Chi, meditation and other practices are known to support both physical and mental awareness and wellness.

More at: bendparksandrec.org/mind-and-body

Strength & Conditioning

Features: Improve your day-to-day function with strength and conditioning! Burn calories at a higher rate through resistance training and use a variety of equipment to increase your muscle strength, metabolic rate, endurance, bone density and balance.

More at: bendparksandrec.org/strength-and-conditioning

Water Fitness

Features: Water is a great equalizer! Help rehabilitate an injury, cross train to enhance athletic performance or simply enjoy the feel-good nature of a water workout. The buoyancy and natural resistance of the water creates an optimal exercise environment with little to no impact on your joints while improving cardio fitness and strengthening muscles. No swimming skills are needed and classes held in deep water use floatation devices. Water shoes recommended.

Park & Facility Rentals: For Your Next Event

Consider a Bend Park and Recreation District facility or park for your special celebration, meeting or event. Offering a variety of buildings and places, BRPD has the rental spaces available to match your event needs.

HOLLINSHEAD BARN rests in a lush park in the heart of Bend. The two-story barn combines the charm of its historic origins with a cozy, intimate atmosphere. Inside, the barn has gorgeous wood floors, a kitchen and an ADA-accessible elevator to the second floor. The outdoor space features a fenced-in lawn, two patios and outdoor benches.

ASPEN HALL is located in beautiful Shevlin Park, just minutes from downtown. The hall features open-beamed ceilings, polished concrete floors with wood-framed windows and a full kitchen. Doors open out to a beautiful patio, towering pines, lawn and shimmering pond.

RIVERBEND COMMUNITY ROOM is located in the District Office and available for presentations, meetings or small events fall through spring. The room opens up to an outdoor plaza overlooking Riverbend Park.

THE PAVILION welcomes groups for birthday parties and other special events and the indoor party room and outdoor Little Pavilion can be included. In addition, the entire facility is available during the non-ice season for event rentals.

LARKSPUR COMMUNITY CENTER welcomes groups of various sizes for gatherings, celebrations, meetings and other events. The event room features a maple hardwood floor and natural light. Various smaller rooms are perfect for meetings and gatherings. All rooms feature audio-visual equipment; details available online.

PARKS & SPORTS FIELDS are available for rent. Fees are based on the size of your group, park amenities, type of function and duration of your event. Sports fields are available for rent seasonally from April 1 to October 31.

PARK PICNIC SHELTERS are a great option for a variety of events, including company picnics, birthday parties, family gatherings, weddings, receptions and more. Fees are based on the size of your group, event amenities and type of function.

ART, SKATE & POOL PARTIES can be great options for birthday parties and other celebrations. Held at recreation centers, activity-based parties are available for children and adults. View recreation center web pages at bendparksandrec.org to learn more.

TRAIL ACCESSIBILITY

It is the goal of Bend Park and Recreation District to provide trail access for all. However, some trails may present obstacles, running slopes, cross slopes, narrow tread widths and unstable surfaces, making them inaccessible for some users. Trails at Alpenglow, Farewell Bend, Riverbend, Pioneer and Pine Nursery parks offer the best access for visitors with mobility aids. Updated information about the condition and accessibility of trails is available by calling 541-389-7275. It is the trail user's responsibility to determine if trail difficulty is appropriate for their skill level.

DOGS ON TRAILS & IN PARKS

Unless otherwise indicated, dogs must be leashed on trails and in parks. Bend has nine areas for people to recreate with their dogs off-leash. Dogs are not allowed in Riley Ranch Nature Reserve.

Park & Trail Rules & Regulations

These rules are in place for the safety and enjoyment of all park users. Park users are responsible for knowing and following all park rules. This is a partial list. For the full rules and regulations text, call 541-389-7275 or visit our website at bendparksandrec.org/rules.

For non-emergency police matters, call 541-693-6911.

For emergencies, dial 911.

- Parks and trails are open 5:00 a.m. to 10:00 p.m. daily.
- City ordinances require that dogs must be on leash at all times within the city limits (except at designated off-leash areas) and their waste properly removed. Dog "rest stops" along the trails and in the parks provide you with disposal bags and trash cans. Dogs are allowed in all parks except for Riley Ranch Nature Reserve.

- Do not litter. Trash cans are located throughout the park system.
- Vehicles must remain on roadways or in parking areas. No parking on district property between 10:00 p.m. and 5:00 a.m.
- No camping, smoking or fires allowed. Alcoholic beverages allowed by permit only.
- Feeding geese, ducks, other waterfowl and wildlife is not allowed.
- Removing vegetation is not allowed.
- Propane cook stoves are allowed; charcoal grills are not allowed.
- Metal detectors allowed by permit only.
- The use of airborne projectiles, including golf and archery, is not allowed.
- Sales and concessions are allowed by permit only.

Trail Use:

- Some sections of the trail are on private property. Please stay on the designated trail.
- Areas along the river are sensitive wildlife habitat. Please do not walk along the river bank.
- Bicyclists are not allowed on some sections of the trails or in Riley Ranch Nature Reserve. Please observe pedestrian-only sections.
- No motorized vehicles allowed on trails.
