March 17 - 18.

Summer in Bend is more than a season—it’s a way of life. As the days grow longer and our community heads outdoors, I’m pleased to welcome you to the Bend Park & Recreation District’s Summer 2026 Playlist. On the following pages, you’ll find the many ways we come together each summer to play, learn, explore and connect.

Our youth camps continue to be a cornerstone of our summer offerings. From the teamwork and tenacity built at Cougar Camp to the exploration at Riley Ranch and the high-energy discovery of Adventure Camp, kids find more than activities; they build confidence, friendship and stories they’ll tell long after August fades.

Creating access for all is central to who we are. Our All-Abilities Camps ensure children of every ability feel welcomed, supported and empowered to participate fully in the joy of summer. The Summer Camp Payment Plan returns, helping make planning and participation more accessible for families.

Across our parks and facilities, sports camps bring young athletes together to build skills, resilience and camaraderie in a supportive setting. And while summer is just getting underway, registration for fall sports—including soccer— opens this season too.

Beyond the fields and trails, we offer pottery classes, day trips, With A Child programs and hands-on activities that spark creativity and connection. Our dedicated staff work hard to provide safe, engaging experiences that reflect the spirit of the community.

Whether you’re returning to a favorite tradition or trying something new, we’re pleased to be part of your summer plans.

- **Tuesday, March 17: Summer camps including those** with camp payment plan. This includes full-day and half-day camps offered a minimum of 2.5 hours for four consecutive days.
Note: Due to high volume, day one registration process could be 45 - 60 minutes including wait time.

Once opened, registration is ongoing throughout the season.

About Opening Days

When program registration opens, there can be very high demand for certain activities and a high volume of traffic on the BPRD registration website. To be prepared, please read our tips on pages 6 - 9.

Registration Options

If you are not able to register online, you can register in person at Juniper Swim & Fitness Center, Larkspur Community Center or the BPRD District Office. If you need further assistance, call Customer Service at 541-389-7275.

New Accounts

You can go online or come in person to create a new account. New accounts created online must be verified for district residency and accuracy. NOTE: This process is normally completed in 24 hours.

Out-of-District Fee Policy

Out-of-district residents do not pay property taxes that support the district and will be charged an additional 20% for most programs. If you need help determining if you live inside the district boundaries, call us at 541-389-7275.

Online Registration Instructions

1. Click on the "Register" link on our website or go directly to: register.bendparksandrec.org

Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center/Bend Senior Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.

2. Make sure all family members are added with correct birth dates and genders.

3. You can select/search for activities in one of three ways:

- › **Activity Search** (Fastest) – Enter the activity number (first six digits) in the search box and click on the Search button. The activity numbers are printed in this guide.

- › **Activity Index** – Activities can also be organized by season and title. Find the Activity Index in the Search menu.
- › **Type or Category** – Simply click on the name for the types of programs that interest you. Scroll down to view all the programs offered.

You can further refine the search using the options at the top of the screen. These include day of week, age, gender and month.

Waitlists

If the registration for a program is listed as “full,” be sure to add your name on the waitlist.

This important step lets us know you are interested if an opportunity becomes available.

If you are on a waitlist, be sure to check emails regularly for any notifications about activity openings.

Once a notification email is sent to you, you have 48 hours to respond and register, otherwise your held spot is forfeited.

Being on the waitlist does not guarantee placement in a program or commit you to participating.

Refund & Cancellation Policy

You may cancel a program at any time and are encouraged to do so as soon as possible to make space available for others. Credits and refunds will be granted as follows:

- Within 48 hours of registering: 100% of program fee.
- 15 days or more before program start date: 90% of program fee.
- 7 - 14 days before program start date: 75% of program fee.
- 6 days or less before program start: No credit or refund. It is extremely difficult to fill cancelled spaces with short notice.
- After start date: No credits, refunds or prorating of fees will be given for missed portions or early withdrawals.

Online Cancellations

If you need to cancel a registration, you can do so online.

Learn how to cancel on the [Cancellation Policy & Instructions web page](#).

tips for

REGISTERING ON OPENING DAY

for an efficient & successful registration

Registration opening days are by far the busiest transaction days of the year at Bend Park & Recreation District. As our community grows, so has the amount of registration activity during the first hours a season's programs are made available.

So, to help everyone have the best experience possible, we've made improvements including staggered registration opening, upgraded technology and a virtual waiting room.

Read on to learn our tips and best practices for registering on opening day to help you find success.

REGISTER ONLINE:
<https://register.bendparksandrec.org>

REVIEW YOUR ACCOUNT

First things, first...make sure your BPRD account profiles and payment methods are up to date and ready to go:

1. Click on the "Register" link on the BPRD website or go directly to: <https://register.bendparksandrec.org>
2. Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.
3. Go to "My Account" followed by "Update: Household & Member" and make sure all family members are in your account with correct birth dates and genders. If needed, add a new household member or new person for child pickup by clicking on the buttons at the bottom of the page. Also review and if needed update your account address, phone, email and person information.

Once you've ensured your account is up to date, it's go time.

SET UP FOR SUCCESS

A few important recommendations:

1. Create a list of your priority activities and programs. More on that below.
2. Registration works best on a desktop computer or laptop. While you can use a mobile device, it's not the most efficient and some mobile devices with older apps or operating systems can have conflicts.
3. Use one web browser window with one tab open for registration. That one window and tab should be on the registration page. Close all other windows and tabs when it's time to register.
4. Be patient. You will likely need to wait in line in the virtual waiting room until it's your turn. If during registration your screen slows down dramatically or you see the spinning circle, it means the system is processing your request. Do not refresh your screen nor open another window, tab or computer - you will disrupt that process and likely lose your transaction.

BEFORE OPENING DAYS

- View the programs on the online Playlist or linked to the registration website homepage and make a note of the Activity numbers and opening dates for the programs you want. One exception in the Playlist is Youth Swim Lessons - click the link in the online Playlist to view the offerings and Activity numbers.
- Have program Activity numbers (first 6 digits) ready when registration begins. Most of the Activity numbers are published in the online Playlist and are all available in the online program preview.
- Another method is to use the "Wishlist." Add the programs you want to your "Wishlist" in your account. At registration opening, you can go to your "Wishlist" and check availability of those specific programs, then add them to your shopping cart. As backup, it can be helpful to take a screenshot of your "Wishlist."
- Whether your list is on paper or digital, keep that list handy for registration opening days.
- Note programs that are a priority to you and your household.

ON OPENING DAYS: MARCH 17 - 18

1. Log into your BPRD account. **If you log on before 6:00 a.m., you and any others will be randomized at 5:59 a.m.** After 6:00 a.m., the line will form one after another just like in person at the movie theater. The wait time may vary, but knowing how many are ahead of you will allow you to plan your morning.
2. Wait for your turn. The virtual waiting room is automated and there's nothing you need to do. If your computer or browser window unintentionally close or shut down, don't panic. Just turn the same device and browser back on and a helpful "cookie" will remember you and your place in line.
3. When it's your turn, add programs to your cart and register. The shopping and registration experience is consistent with past seasons. Use your "Wishlist" and click "Check Availability" or enter Activity #s to add to your shopping cart.
4. Starting with your priority programs, type the Activity number at the bottom of the registration menu, or from the search menu in the top navigation.
5. Select the check box next to your program.
6. Note the notification bar at the bottom of the screen and select 'Add to cart'.
7. If you have other priority programs you'd like to enroll in, click on the "Continue Shopping" button. Repeat above steps from entering in Activity number to adding the program into your cart. You can have multiple programs in your cart.
8. Once your priority activity or activities are in your cart, check out promptly so you get into the programs you want and your session isn't accidentally timed out due to inactivity. Important: your transaction must be completed before your enrollment is confirmed.
9. Look for your confirmation email.
10. After you've registered for your priority programs, now is the time to go back and shop for the programs that weren't your top priority, repeating the above steps.
11. When you complete your transaction(s), log out of your account. This step helps the virtual waiting room allow others in for their turn.

Confirm details/waivers/etc. for each of the participants.

6. Note the notification bar at the bottom of the screen and select 'Add to cart'.
7. If you have other priority programs you'd like to enroll in, click on the "Continue Shopping" button. Repeat above steps from entering in Activity number to adding the program into your cart. You can have multiple programs in your cart.
8. Once your priority activity or activities are in your cart, check out promptly so you get into the programs you want and your session isn't accidentally timed out due to inactivity. Important: your transaction must be completed before your enrollment is confirmed.
9. Look for your confirmation email.
10. After you've registered for your priority programs, now is the time to go back and shop for the programs that weren't your top priority, repeating the above steps.
11. When you complete your transaction(s), log out of your account. This step helps the virtual waiting room allow others in for their turn.

A virtual waiting room, Queue-it will be implemented at registration opening to help control traffic to the registration website.

DUE TO HIGH VOLUME, SUMMER'S DAY ONE REGISTRATION PROCESS COULD BE 45 - 60 MINUTES INCLUDING WAIT TIME.

ABOUT THE VIRTUAL WAITING ROOM

Queue-it is a virtual waiting room that serves as a line for our online registration process. It's automatic if you're on the registration website at opening, so there's nothing needed for you to do! Queue-it will display how many shoppers are in line in front of you and you will see the number get smaller until it is your turn.

Patience is appreciated as you wait. By providing information about how many others are in line ahead of you, it should help the morning go smoother.

Thank you for your cooperation.

5. Select the check box next to your program.

| Select | Activity # | Description |

Recreation Scholarships

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs. The goal is to remove financial barriers for community members with limited financial resources.

In the past year, more than 3,500 individuals have received financial support to participate in programs that provide safe, enriching activities and contribute to a physically active community.

ABOUT SCHOLARSHIPS:

- Visit bendparksandrec.org/scholarship to download application forms or pick up an application at the district office or recreation facilities.
- **You may submit your application at any time; allow at least one week for processing prior to registering for an activity.**
- Scholarships can be used by children, adults and families for most recreation programs and facility passes.
- Scholarship assistance ranges from 25 percent to 75 percent of the regular fee, depending on the applicant's level of need, and the specific activity or program.
- Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF or Oregon Health Plan and are a resident of Bend Park and Recreation District. Some school-based programs are exempt from the district resident requirement.
- Scholarships are valid for one year. You must reapply for renewal.

Everyone can play. Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

Art Station moves into the future

After calling the historic train depot home for many years, the Art Station had to move and has been operating out of temporary spaces listed below for the past year.

Good news though! The Art Station programs will get a new home at Larkspur Park. Construction has begun and the new Art Station is scheduled to open fall 2026. Keep your eyes open for updates.

CLAY CLASSES

Clay programs for youth and adults have moved to the newly updated Harmon Park Clay Studio.

Swim Lessons: Frequently Asked Questions

When does registration begin?

Registration opens for swim lessons on Wednesday, March 18 at 6:00 a.m. and is ongoing.

How do I know what lesson to register my child for?

Come to a swim lesson assessment or read the prerequisite listed under the class description.

Why are swim lessons so popular?

Youth swim lessons are some of the most in-demand recreation programs in our community and highlight the importance of water safety skills.

While lesson availability has improved from recent years, sometimes we're not able to meet all of the demand. If you are unable to get a spot, please sign up on a waitlist so that we know of your interest and can try to accommodate your child.

I am on a waitlist, what should I do?

If there is room for additional swimmers, we will email the waitlist participants in the order received. Ensure your registration account is set to receive emails and watch your email. Once an email notice is sent, you have 48 hours to register or your held spot will be forfeited.

What lesson level is my child signed up for?

At your lesson, the deck coordinator has the information and can help you find the appropriate class.

What if I don't remember what facility my lesson is at?

When you registered, you should have received an email receipt with your class location listed with the activity.

What do I do if I signed my child up for the wrong level?

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

I have multiple children and would like them in lessons at the same time.

Most of our lessons have the opportunity to occur at the same time. If you weren't able to sign up for the same time due to the class being full, we encourage you to place your child on the waitlist for the time you like and sign up for the class closest to that time. If the class has an opening, you will have the opportunity to transfer.

My child is signed up for a level they already passed.

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

Are private or semi-private swim lessons available?

We are unable to offer private or semi-private lessons at this time as group lessons are our priority.

TRAIL ACCESSIBILITY

It is the goal of Bend Park and Recreation District to provide trail access for all. However, some trails may present obstacles, running slopes, cross slopes, narrow tread widths and unstable surfaces, making them inaccessible for some users. Trails at Alpenglow, Farewell Bend, Riverbend, Pioneer and Pine Nursery parks offer the best access for visitors with mobility aids. Updated information about the condition and accessibility of trails is available by calling 541-389-7275. It is the trail user's responsibility to determine if trail difficulty is appropriate for their skill level.

DOGS ON TRAILS & IN PARKS

Unless otherwise indicated, dogs must be leashed on trails and in parks. Bend has nine areas for people to recreate with their dogs off-leash. Dogs are not allowed in Riley Ranch Nature Reserve.
