Registration Options

If you are not able to register online, you can register in person at Juniper Swim & Fitness Center, Larkspur Community Center or the BPRD District Office. If you need further assistance, call Customer Service at 541-389-7275.

New Accounts

You can go online or come in person to create a new account. New accounts created online must be verified for district residency and accuracy. NOTE: This process is normally completed in 24 hours.

Out-of-District Fee Policy

Out-of-district residents do not pay property taxes that support the district and will be charged an additional 20% for most programs. If you need help determining if you live inside the district boundaries, call us at 541-389-7275.

Online Registration Instructions

 Click on the "Register" link on our website or go directly to: register.bendparksandrec.org

REGISTER

Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center/Bend Senior Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.

Make sure all family members are added with correct birth dates and genders.

- 3. You can select/search for activities in one of three ways:
 - Activity Search (Fastest) Enter the activity number (first six digits) in the search box and click on the Search button. The activity numbers are printed in this guide.

- Activity Index Activities can also be organized by season and title. Find the Activity Index in the Search menu.
- > Type or Category Simply click on the name for the types of programs that interest you. Scroll down to view all the programs offered.

You can further refine the search using the options at the top of the screen. These include day of week, age, gender and month.

Waitlists

If the registration for a program is listed as "full," be sure to add your name on the waitlist.

This important step lets us know you are interested if an opportunity becomes available.

If you are on a waitlist, be sure to check emails regularly for any notifications about activity openings.

Once a notification email is sent to you, you have 48 hours to respond and register, otherwise your held spot is forfeited.

Being on the waitlist does not guarantee placement in a program or commit you to participating.

You may cancel a program at any time and are encouraged to do so as soon as possible to make space available for others. Credits and refunds will be granted as follows:

- Within 48 hours of registering: 100% of program fee.

for an efficient & successful registration

Registration opening days are by far the busiest transaction days of the year at Bend Park & Recreation District. As our community grows, so has the amount of registration activity during the first hours a season's programs are made available.

So, to help everyone have the best experience possible, we've made improvements including staggered registration opening, upgraded technology and a virtual waiting room.

Read on to learn our tips and best practices for registering on opening day to help you find success.

REGISTER ONLINE: https://register. bendparksandrec.org

REVIEW YOUR ACCOUNT

First things, first...make sure your BPRD account profiles and payment methods are up to date and ready to go:

- Click on the "Register" link on the BPRD website or go directly to: https://register.bendparksandrec.org
- Enter your username and password. You already have an account if you have previously participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Larkspur Community Center. The default username is your email address and the default password is your last name (first letter capitalized) unless you set it up differently.
- Go to "My Account" followed by "Update: Household & Member" and make sure all family members are in your account with correct birth dates and genders. If needed, add a new household member or new person for child pickup by clicking on the buttons at the bottom of the page. Also review and if needed update your account address, phone, email and person information.

Once you've ensured your account is up to date, it's go time.

SET UP FOR SUCCESS

A few important recommendations:

- Create a list of your priority activities and programs. More on that below.
- Registration works best on a desktop computer or laptop. While you can use a mobile device, it's not the most efficient and some mobile devices with older apps or operating systems can have conflicts.
- Use one web browser window with one tab open for registration. That one window and tab should be on the registration page. Close all other windows and tabs when it's time to register.
- Be patient. You will likely need to wait in line in the virtual waiting room until it's your turn. If during registration your screen slows down dramatically or you see the spinning circle, it means the system is processing your request. Do not refresh your screen nor open another window, tab or computer - you will disrupt that process and likely lose your transaction.

BEFORE OPENING DAY

- View the programs on the online Playlist or linked to the registration website homepage and make a note of the Activity numbers for the programs you want. One exception in the Playlist is Youth Swim Lessons - click the link in the online Playlist to view the offerings and Activity numbers.
- Have program Activity numbers (first 6 digits) ready when registration begins. Most of the Activity numbers are published in the online Playlist and are all available in the online program preview.
- Another method is to use the "Wishlist." Add the
 programs you want to your "Wishlist" in your account. At
 registration opening, you can go to your "Wishlist" and
 check availability of those specific programs, then add
 them to your shopping cart. As backup, it can be helpful to
 take a screenshot of your "Wishlist."
- Whether your list is on paper or digital, keep that list handy for registration opening day.
- Note programs that are a priority to you and your household.

ON OPENING DAY: DECEMBER 9

- Log into your BPRD account. If you log on before 6:00 a.m., you and any others will be randomized at 5:59 a.m. After 6:00 a.m., the line will form one after another just like in person at the movie theater. The wait time may vary, but knowing how many are ahead of you will allow you to plan your morning.
- Wait for your turn. The virtual waiting room is automated and there's nothing you need to do. If your computer or browser window unintentionally close or shut down, don't panic. Just turn the same device and browser back on and a helpful "cookie" will remember you and your place in line.
- When it's your turn, add programs to your cart and register. The shopping and registration experience is consistent with past seasons. Use your "Wishlist" and click "Check Availability" or enter Activity #s to add to your shopping cart.
- 4. Starting with your priority programs, type the Activity number at the bottom of the registration menu, or from the search menu in the top navigation.

Select the check box next to your program.

Note the notification bar at the bottom of the screen and select 'Add to cart'.

Confirm details/waivers/etc. for each of the participants.

- If you have other priority programs you'd like to enroll in, click on the "Continue Shopping" button. Repeat above steps from entering in Activity number to adding the program into your cart. You can have multiple programs in your cart.
- Once your priority activity or activities are in your cart, check out promptly so you get into the programs you want and your session isn't accidentally timed out due to inactivity. Important: your transaction must be completed before your enrollment is confirmed.
- 9. Look for your confirmation email.
- 10. After you've registered for your priority programs, now is the time to go back and shop for the programs that weren't your top priority, repeating the above steps.
- When you complete your transaction(s), log out of your account. This step helps the virtual waiting room allow others in for their turn.

A virtual waiting room, Queue-it will be implemented at registration opening to help control traffic to the registration website.

Queue-it is a virtual waiting room that serves as a line for our online registration process. It's automatic if you're on the registration website at opening, so there's nothing needed for you to do! Queue-it will display how many shoppers are in line in front of you and you will see the number get smaller until it is your turn.

Patience is appreciated as you wait. By providing information about how many others are in line ahead of you, it should help the morning go smoother.

Thank you for your cooperation.

Recreation Scholarships

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs. The goal is to remove financial barriers for community members with limited financial resources.

In the past year, more than 3,500 individuals have received financial support to participate in programs that provide safe, enriching activities and contribute to a physically active community.

ABOUT SCHOLARSHIPS:

- Visit <u>bendparksandrec.org/scholarship</u> to download application forms or pick up an application at the district
 office or recreation facilities.
- You may submit your application at any time; allow at least one week for processing prior to registering for an activity.
- Scholarships can be used by children, adults and families for most recreation programs and facility passes.
- Scholarship assistance ranges from 25 percent to 75 percent of the regular fee, depending on the applicant's level of need, and the specific activity or program.
- Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF or Oregon Health Plan and are a resident of Bend Park and Recreation District. Some school-based programs are exempt from the district resident requirement.
- Scholarships are valid for one year. You must reapply for renewal.

Everyone can play. Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

By helping to cultivate good habits at an early age, the practices of Japanese martial arts, Ki-Aikido and Ki Development, offer children a foundation that can help prepare them for a lifetime of positive growth. While children's bodies are growing so are their minds, so we aim to develop them together in Ki's physically active and cooperative learning environment. The goal is that as children grow, they learn to apply these lessons to many of life's activities - school, play, sports and relationships.

Youth Softball League is discontinued

BPRD will not offer its girls softball program, beginning in spring 2026 after declining participation. Our passion is to provide recreational and introductory skills building and teamwork through team sports, and there are other local softball opportunities with Little League including Bend North and Bend South teams for girls age 5-14.

Data shows that girls' participation in sports is a key indicator of future success, so we root for continued sports participation! In 2025, there were nearly 6,500 females in BPRD sports programs for girls, including flag football, ice hockey, and middle school cheer clinic, volleyball, basketball, soccer and lacrosse.

More than a decade ago, BPRD stepped back from youth baseball, and the sport continues to thrive in Central Oregon! Our hope is for the same with softball.

Swim Lessons: Frequently Asked Questions

When does registration begin?

Registration opens Tuesday, December 9 at 6:00 a.m. and is ongoing.

How do I know what lesson to register my child for?

Come to a swim lesson assessment or read the prerequisite listed under the class description.

Why are swim lessons so popular?

Youth swim lessons are some of the most in-demand recreation programs in our community and highlight the importance of water safety skills.

While lesson availability has improved from recent years, sometimes we're not able to meet all of the demand. If you are unable to get a spot, please sign up on a waitlist so that we know of your interest and can try to accommodate your child.

I am on a waitlist, what should I do?

If there is room for additional swimmers, we will email the waitlist participants in the order received. Ensure your registration account is set to receive emails and watch your email. Once an email notice is sent, you have 48 hours to register or your held spot will be forfeited.

What lesson level is my child signed up for?

At your lesson, the deck coordinator has the information and can help you find the appropriate class.

What if I don't remember what facility my lesson is at?

When you registered, you should have received an email receipt with your class location listed with the activity.

What do I do if I signed my child up for the wrong level?

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

I have multiple children and would like them in lessons at the same

Most of our lessons have the opportunity to occur at the same time. If you weren't able to sign up for the same time due to the class being full, we encourage you to place your child on the waitlist for the time you like and sign up for the class closest to that time. If the class has an opening, you will have the opportunity to transfer.

My child is signed up for a level they already passed.

Contact customer service and ask about updating the customer question on your swim lesson registration or talk to the on deck coordinator.

Are private or semi-private swim lessons available?

We are unable to offer private or semi-private lessons at this time as group lessons are our priority.

TRAIL ACCESSIBILITY

It is the goal of Bend Park and Recreation District to provide trail access for all. However, some trails may present obstacles, running slopes, cross slopes, narrow tread widths and unstable surfaces, making them inaccessible for some users. Trails at Alpenglow, Farewell Bend, Riverbend, Pioneer and Pine Nursery parks offer the best access for visitors with mobility aids. Updated information about the condition and accessibility of trails is available by calling 541-389-7275. It is the trail user's responsibility to determine if trail difficulty is appropriate for their skill level.

DOGS ON TRAILS & IN PARKS

Unless otherwise indicated, dogs must be leashed on trails and in parks. Bend has nine areas for people to recreate with their dogs off-leash. Dogs are not allowed in Riley Ranch Nature Reserve.
