Your Playbook is printed with pride with Northwest Web Press, business partner of The Bulletin.
As your parks and recreation provider, our staff works hard to provide opportunities for all ages to find an activity (or several) that they enjoy. From Baby and Me classes, afterschool care, youth sports and art camps to indoor fitness facilities and Lunch and Learn programs – Your Playbook is full of possible adventures and great experiences.

Bend Park and Recreation District proudly serves the majority of children in Bend. Each year, we're likely to provide a recreation program to more than 8 in 10 children from ages 5 to 9. That’s great news since we strive to engage all families so that they can experience recreation’s well-documented physical, mental and social benefits.

We also serve older adults. Projections indicate that by the year 2028, the total number of adults over 65 in Bend will nearly double to approximately 26,000. To meet this growth, Larkspur Community Center is being built, in part to meet the increasing demand expected in the coming decade. When Larkspur opens in late summer 2020, the center will continue to be the home for Bend Senior Center recreation while offering expanded programs and opportunities for people of all ages. From fitness to swim lessons, Larkspur will be a state-of-the-art facility our community can be proud of.

Of course, we welcome and encourage our community members in between kids and older adults – please don’t forget to make time for your own play! On the trails, in the parks or in a facility or program, we invite you to explore and grow.

Sincerely,

Don Horton, Executive Director

**FIRST-EVER CURLAPALOOZA TO RAISE RECREATION SCHOLARSHIP FUNDS**

The community is invited to gather friends and sign up for Curlapalooza, the inaugural learn-to-curl fundraising event held at The Pavilion on Sunday, April 5. Attendees will celebrate the last day of ice season with an opportunity to throw a curling stone, learn the art of sweeping and participate in the Olympic sport everyone loves to watch - all to raise funds and create opportunities for everyone in our community to participate in quality recreation experiences. The event will include great food, beverage, entertainment, off-ice activities and promises to be a lot of fun. Registration available for teams of four players (beginners encouraged) and spectators. Details on page 10.

**INDOOR RECREATION OPTIONS GROW**

With cycling as a growing go-to activity of choice for many Bend residents, Juniper Swim and Fitness Center upgraded its cycle studio with a new fleet of Spin bikes. The cycling equipment upgrade is part of a larger effort to enhance the health and wellness experience. Recent changes also include expanded fitness class offerings at the facility that boasts approximately 275 classes per week. On the exterior, accessible parking and entry to the building were improved last fall. Beginning this winter, a project will replace the Juniper Park restroom, build additional parking on the south side and add a new playground to the park.

**SUCCESSFUL PRESCRIBED FIRE HELD AT SHEVLIN PARK**

In October, the district worked with the Deschutes National Forest to conduct a 78-acre prescribed fire in Shevlin Park. Prescribed fire is part of the Shevlin Park vegetation management plan and is used to make our fire-adapted forests healthier, more resilient to disease and reduce wildfire risk to Shevlin Park and the surrounding community. The fall fire went well and many community members participated in a tour opportunity hosted in partnership with Central Oregon Cohesive Strategy to learn more about the benefits of prescribed fire. The district plans to conduct a 66-acre prescribed burn next spring.
Each season brings different recreation needs and opportunities for our community. To stay in sync with those changes, Bend Park and Recreation District adapts its workforce and offers multiple job opportunities through the year.

All the seasons are busy, but summer is the peak of district operations. To support the plethora of summer activities, programs and maintenance, BPRD offers numerous seasonal positions including lifeguards, park maintenance staff and youth recreation leaders.

Other times of the year, the district hires seasonal recreation staff to support programming, such as instructors for ice sports and recreation leaders for afterschool programs. BPRD seasonal positions can complement other personal activities, such as attending college or offset other seasonal jobs such as ski instructors, wildland firefighters or forestry workers.

Roxy Kanable, a full-time Park Maintenance worker, started with the district in a seasonal landscaping role. “I was looking for a job that allowed me to move my body daily and be outside. I also wanted to use my degree and continually learn new skills,” she shared. “Having the six-month seasonal position is really desirable. It can be hard to find positions that will provide a full work week for that long of a time period,” explained Roxy.

Michael Harris, a Youth Recreation Leader, enjoys the variables associated with his seasonal job. “I like the flexibility. Everything is a little different and challenging. For a lot of people, they do the same thing everyday, and I don’t,” he explained. “It’s nice to dabble in different things and keep things fresh.”

Michael is one of fifty part-time employees in a recently created pilot program where staff work in youth recreation positions during the summer and in school-based afterschool child care positions the rest of the year. “I work in Operation Recreation for summer and KIDS Inc. for fall through spring. It’s perfect for me. I love working with kids,” explained Michael. The pilot program includes benefits, such as vacation and holiday pay and optional medical, dental and vision insurance.

BPRD is regularly hiring. To learn more about working with Bend Park and Recreation District, go to bendparksandrec.org/jobs. Postings for summer jobs begin in February and continue through spring. Those interested are invited to complete a Job Interest Card online at any time.

Bend Park and Recreation District has been recognized by a state-wide organization for Juniper Swim & Fitness Center’s efforts to upgrade and maintain its mechanical systems. The 2019 Oregon Recreation and Parks Association (ORPA) Asset Management Award recognizes the work to mend decades of building additions with modern day technology. Staff centralized building control systems, and installed a new double boiler system, heat exchangers, air handlers and an air-cooled chiller to manage pool and air temperatures. There have also been LED lighting upgrades to the pool areas and parking lots. The efforts have led to significant energy savings over the past few years.

The Pavilion introduced a new activity in the non-ice season – roller skating. Drop-in roller skate activities were offered four days per week and averaged 40 to 50 participants per session. The Bend Bullets youth inline hockey program and Lava City Roller Derby moved to The Pavilion too. In addition to traditional roller skating and in-line skating on the newly installed skating surface, The Pavilion skate park features, and games including foosball, table tennis and corn hole were available for summer and fall enjoyment. Look for roller skating to return again this spring.

For Roxy Kanable, Park Maintenance, left, and Michael Harris, Youth Recreation, below, working through the seasons comes with a smile.
In 1988, Brian and Linda Opdycke made a gift to Bend Park & Recreation Foundation to establish a memorial fund honoring their son, Jason. They wanted their resources to make it possible for other children with disabilities to experience the recreation programs their son loved, and to offer those families some respite, with the peace of mind that comes from knowing that their child was enjoying safe, quality activities.

The Opdycke family has always been an active bunch. Jason loved swimming and was involved with many activities that are now called Therapeutic Recreation programs. The interaction and connections made through those programs were important for Jason and valued by his family. His siblings Jessica and Jordan grew up swimming and playing sports. Brian and Linda used the pool and took scuba diving lessons at Juniper Swim & Fitness Center. Today, Jordan works at Juniper with lifeguard and competitive swimming programs and Jessica’s family are active participants in a variety of recreation activities.

Over time, the Opdycke Fund has supported many children with resources to participate in specialized day camp programs, general recreation activities and sports, and funded adults for enrichment and social experiences, fitness activities and fun adventures.

Program participants have experienced going to the theater in Portland, trips to the coast and overnight adventures at the Oregon Zoo. The fund has also made it possible for the district to purchase adaptive recreation equipment such as hand cycles, wheelchairs for sports, and water jackets for swimming programs.

Brian and Linda moved to Hawaii for a time and contributions from other donors and fundraising events helped sustain the Opdycke Fund. When they moved back to Bend a few years ago, they reconnected with Bend Park & Recreation Foundation and renewed their commitment, and now make a generous donation each month to support therapeutic recreation opportunities. Brian shares, “We want to give, and have a special place in our hearts for parks and recreation and the Therapeutic Recreation programs.” Linda adds, “It’s important in life to have fun. We want to help people with disabilities have as many opportunities as possible.”

The historic barn and homestead house at Hollinshead Park are evidence of the passion Tony Rosengarth had for preserving the past. Tony and wife Sharron have contributed countless volunteer hours to restoring the buildings and equipment, caretaking the collections in the homestead and providing tours to tell the stories of farming life in Bend in the first half of the 1900’s. Tony passed away in September 2019, and leaves a legacy that will help future generations understand how Bend grew from a small farming and timber town to the community it is today. Tony’s passion, knowledge, stories and easy smile will be missed.
An important part of Bend Park and Recreation District’s mission is to enhance community vitality by promoting healthy lifestyles. One way the district does this is offering no-cost or low-cost fitness passes for those over 65 or enrolled in Medicare through partnerships with qualifying health plans.

“Physical activity has a number of benefits particularly relevant in later life, including reducing the risk of falls, improving balance and stamina, and delaying the onset of cognitive decline,” according to the U.S. Department of Health and Human Services.

District fitness patrons have been able to access the Bend Senior Center through health plans for several years. Beginning January 1, this benefit will also extend to use of Juniper Swim and Fitness Center.

Both facilities offer numerous fitness amenities and classes including therapeutic fitness and Fit4U classes that are specially-designed for those wanting a lower-impact and light-intensity workout, including those ages 50 and over. These specialty classes are great for older adults, to “help maintain the ability to live independently and reduce the risk of falling and fracturing bones,” per the Centers for Disease Control and Prevention.

Bend Park and Recreation District has expanded a partnership with three nationwide programs that assist older adults in becoming or remaining active to improve their quality of life through physical activity. These supplemental health plans are provided by private insurance companies that contract with Medicare, often referred to as Medicare Advantage Plans or Medicare Part C. The following programs are included: Silver & Fit, Silver Sneakers and AARP Renew Active.

In 2020, qualifying Medicare recipients will be able to choose either a full-access pass to Bend Senior Center or a basic pass to Juniper Swim and Fitness Center.

The Bend Senior Center pass provides access to more than 75 weekly fitness classes plus full facility use and participation in social activities. The Juniper basic pass includes use of pools, fitness center, fit studio, hot tub, sauna, steam room, locker rooms and participation in recreation and lap swim.

For an additional $15.00 per month, qualifying patrons can upgrade to a full-access pass for both Juniper and Bend Senior Center, which offers additional opportunities to participate in more than 250 weekly fitness classes including Spinning, cardio/dance, yoga, Pilates, strength and conditioning formats and Masters swim sessions at Juniper.

For more information on health plans, benefits and eligibility, check with your health insurance carrier to see if you qualify. For details on facilities and passes, visit bendparksandrec.org/medicare or stop by the customer service desk at Bend Senior Center or Juniper Swim and Fitness Center.

“You can’t help getting older. But you don’t have to get old.”
- George Burns
Larkspur Community Center construction passes its halfway mark this winter and heads toward the home stretch this spring!

The district is excited to welcome residents into the new facility when it opens late next summer. Classes and activities continue in Bend Senior Center as the space prepares to grow significantly when the two buildings are connected via a hallway, figuratively and literally opening new opportunities for health and wellness. If you haven’t already, go ahead and daydream about what is on the way!

**Current channel in the pool**

The pool at Larkspur will have a river-like current that translates into several options for fitness and enjoyment. Patrons can walk with the current for a gentle experience or engage more muscle groups by walking against the current. The resistance or lack of it will also provide alternatives for swimmers. Whether a user is learning to swim, gaining therapeutic benefits, seeking non-weight bearing exercise or more, the current channel will be a flexible tool for many experiences.

**Walk/jog track on second story**

The upstairs fitness center will be surrounded by a 14-lap-per-mile walk/jog track. With mountain views, time on the track will bring the outdoors into the experience without the weather. It will be great for individual walking, light jogging or an active walk-and-talk with a friend. There will be opportunities for personal training and therapeutic use too.

**Dedicated fitness spaces**

Bend Senior Center fitness classes are popular and many are tight on elbow room. That will change with dedicated spaces for mind/body and group exercise classes. Supportive floors, built-in storage, climate controls, etc. will enhance the experience and allow for more fitness options.

SNOW REMOVAL ON PATHS & TRAILS

The Bend Urban Trails System connects our community and encourages recreation and non-motorized transportation throughout the year. If Bend should have a snow event of two inches or more, BPRD Park Services strives to remove the snow from the trails listed below. Thank you for your patience during heavy snows.

- Cascade Highlands Trail from Overturf Off-Leash Area to Skyline Ranch Rd.
- Coyner Trail from Ponderosa Park to Juniper Park.
- Discovery Trail from Clearwater Dr. to Skyliners Rd. and from McClain Dr. to Shevlin Park.
- Drake Park pathways.
- Pathways in Riverbend and Farewell Bend parks.
- Larkspur Trail from Bear Creek to Neff Rd. through Pilot Butte State Park.
- Pine Nursery Park Loop Trail.
- West Bend Trail along Galveston and Skyliner Rd. between 17th St. and Skyline Ranch Rd.
- Haul Road Trail from Mckay Park to Mammoth Dr.
- Pioneer Park to the First Street Rapids Bridge.

These trails and more can be found in the latest Bend Adventure Planner Map, available online at bendparksandrec.org or at the District office and facilities.

SEASONAL SHUTOFFS & CLOSURES

As part of winter operations, BPRD Park Services shuts off park irrigation, drinking fountains, water features and even some restrooms to avoid issues related to winter’s freezing temperatures. Typically, shut offs begin in October and continue through late-April. In addition, many park restrooms close earlier in the evening in the winter. In spring, when consistently above-freezing temperatures return, our crews make the rounds to all the various amenities in the park system to test equipment and return services for the busy seasons ahead.
Bend is growing and so is your park and trail system. The district takes care of what it has and expands to meet our changing community’s needs. We update aging facilities, parks and trails. We also plan for new places and amenities to allow for play close to home. These projects keep staff busy with land purchases, project design, public outreach to gather input, and construction. Take a look at what’s happening this winter.

**Shevlin Park**

New interpretive, wayfinding and regulatory signs have been installed throughout the park. Americans with Disability Act improvements including a new accessible trail to Aspen Meadow picnic area and upgrades to Aspen Hall’s parking area and Larch Bridge. The covered bridge was decommissioned as part of this project, allowing for creek restoration to help improve water quality and wildlife habitat along the banks of Tumalo Creek. This project was completed in September.

**Larkspur Community Center**

Larkspur Community Center is the expansion project adjacent to the Bend Senior Center in southeast Bend. This new facility will add approximately 34,000 square feet, including new fitness facilities, group exercise rooms, a warm-water pool, an indoor walk/jog track, and additional parking. The facility will maintain a focus on older adult programs while also offering other activities to meet the needs and schedules of a broader range of users. Construction started in March and temporarily closed the senior center last summer. The senior center reopened in September and construction of the new building, surrounding parking areas and in the park continues.

The estimated completion of the Larkspur Community Center is late summer 2020. The Larkspur Trail remains detoured around the park’s east side to Reed Market Road and west along the city sidewalk for the duration of the project.

**Juniper Park**

Located adjacent to Juniper Swim & Fitness Center, Juniper Park is scheduled for improvements including a new restroom, an upgraded path, additional facility parking and updated play area. Construction has started on the new restroom building, with the remaining construction starting early this winter. Estimated completion is May 2020.
This project includes the construction of two new multi-use fields in cooperation with the Bend-La Pine Schools. Field use will be scheduled by BPRD. Construction started this past summer and is substantially complete. The new grass needs time to be established this spring with anticipated play beginning in summer 2020.

**Empire Crossing Park**

This small neighborhood park in northeast Bend was acquired by the district after being formerly owned and maintained by the homeowner’s association. The planned changes include upgrading the playground, trail and landscape. Construction started this fall and should be complete by spring 2020.

**Central Oregon Historic Canal Trail**

District staff have been working on design for Central Oregon Historic Canal Trail crossings at major roadways in south Bend. The district is working with the City of Bend to construct pedestrian crossings where the trail crosses major arterial roads. The first crossing that was completed is where the canal passes under 15th Street south of Reed Market Road near Chloe Lane. Through an interagency agreement, the district provided funding to the City of Bend to construct this crossing as part of the Murphy Road project. Future crossings are planned at Blakely Road, 3rd Street, Brosterhous Road, Ferguson Avenue and 27th Street.

The district continues to work with property owners along the canal to secure easements for public use and to connect the nearly five-mile trail from the east side of 27th Street west to the Deschutes River Trail. Areas of the trail where public easements exist are identified by signage. Please be aware that the areas of the trail that do not have public easements are private property, and unauthorized use is considered trespassing.

Work has started on trail surface improvements from Blakeley Road west to the Deschutes River Trail. New trail surfacing and signage on this section of the trail is expected to be completed early 2020.

**Pine Nursery Park**

Located in northeast Bend, Pine Nursery Park is the future home of two new amenities – Bend FC Timbers’ soccer fields and North Pacific Juniors (NPJ) Volleyball Club’s sand volleyball courts. Through a lease agreement with the district, the Bend FC Timbers club has privately funded and nearly completed construction of two full-size, lighted, artificial turf fields in the park. Two additional fields are planned for in a future second phase. On the park’s east side, a location for six sand volleyball courts was recently determined. The NPJ club contacted BPRD after the courts at the Old Mill District closed. Facilitated through a lease agreement, the courts will be open to the public, but constructed and maintained by the club. Work is expected to begin by spring 2020 and be completed for summer use.

**Big Sky Park & Luke Damon Sports Complex**

Big Sky Park & Luke Damon Sports Complex is an existing 96-acre community park located east of Hamby Road and north of Neff Road. The park is a combination of undeveloped and developed areas with restroom facilities, paths, playground, sport fields and an off-leash dog area.
Planned improvements include vehicle and pedestrian access from Hamby Road, additional parking, bike park features, single track bike trail network, a 1.75-mile perimeter walking/biking trail, and connection to Buckingham School. Construction is expected to begin in spring 2020.

**Drake Park/Deschutes River Trail & Bank Improvements**

The banks of the Deschutes River at Drake Park and Pacific Park have deteriorated over time, resulting in safety and environmental issues. The district plans to improve the banks and to connect the Deschutes River Trail through Drake Park and Pacific Park. In addition, a new trailhead will be created at Pacific Park. Design and permitting is underway and expected to last for a year, with construction anticipated to begin in late summer 2020.

**Haul Road Trail**

The district received a grant to improve the Haul Road Trail, from McKay Park westward approximately 3.3 miles to the Deschutes National Forest boundary. The twenty-year-old trail has varying surfaces in need of repair. Identified as a primary, multi-use trail, the asphalt section will be repaved, and the 1.35-mile unpaved section will be paved. Done in partnership with City of Bend, which owns a portion of the trail, this project aims to revitalize an important alternative transportation route through Bend’s west side and connect to public forest lands. Construction is anticipated to begin in 2020.

**Riverbank Habitat Improvements**

The district and Upper Deschutes Watershed Council (UDWC) are working in partnership to improve and manage the riverbanks of the Deschutes River and Tumalo Creek. The organizations have committed to a long-term collaboration to improve riverbank habitat and support sustainable recreational use of the river and creek. Staff completed an inventory and assessment of riverbank conditions on 10.5 miles of district-owned property. The first project is located between the Bill Healy Bridge and the Farewell Bend Park footbridge. Working together, the district and UDWC awarded a contract for the design of the habitat restoration. Pending permit approvals and funding availability, the restoration work may start as early as 2021.

**Alpenglow Park**

Purchased with funding from the 2012 bond measure, Alpenglow Park is located in southeast Bend on 15th Street, north of Knott Road. At 37 acres, the park is bordered by railroad tracks to the west and future schools to the south. The park will include an off-leash dog area, outdoor event space, open lawn area, shade structures, restrooms, spray ground, play area, demonstration garden, climbing/bouldering/slacklining area, paths, trails and natural space. Alpenglow will serve as a central point of connection for multi-use trails which will branch out to surrounding areas. To improve access to the park and schools; a pedestrian bridge over the railroad tracks and a pedestrian bridge over the irrigation canal just north of the park are included. Construction is anticipated to begin in 2021.

**Northpointe Park**

This new 2.7-acre neighborhood park located north of Cooley Road in the Northpointe subdivision will provide recreation opportunities to residents in a growing area that has been under-served. Public outreach was conducted in fall 2019 to understand the type of park experiences and amenities people would like to have. This information is being used to generate a master plan which is anticipated to be approved in January 2020.

how to register

**New Accounts**

You can go online or come in person to create a new account. New accounts created online must be verified for district residency and accuracy. NOTE: This process is normally completed in 24 hours.

**Online Registration Instructions**

1. Click on the “Register” link on our website or go directly to: https://register.bendparksandrec.org

You must reapply for renewal.

2. Enter your email and password. You already have an account if you have recently participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Bend Senior Center. The default password is your last name (first letter capitalized) unless you set it up differently.

3. Make sure all family members are added with correct birth dates and genders.

4. You can select/search for activities in one of three ways:

   - **Activity Number** (Fastest) - Enter the activity number (first six digits) in the box. Click on the Search button. The activity numbers are printed in this guide.

   - **Keyword Search** - Just enter ONE word for the activity, such as part of the name or something about what it does. For example: Art, Lacrosse, Camp, Guitar, etc. Click on the Search button. Scroll down to display a list of programs linked to that keyword.

   - **Type or Category** - Simply click on the name for the specific activity or program. Scroll down to view all the programs offered.

You can further refine the search using the options at the top of the screen. These include day of week, age, gender and month.

**Out-of-District Fee Policy**

Out-of-district residents do not pay property taxes that support the district and will be charged an additional 20% for most programs. If you need help determining if you live inside the district boundaries, call us at (541) 389-7275.

**In-Person Registration**

If you want to come in to register you can go to ANY location for ANY program. You can register at three locations:

- Juniper Swim & Fitness Center
  800 NE 6th Street
- Bend Senior Center
  1600 SE Reed Market Road
- The Pavilion
  1001 SW Bradbury Way

Registration forms are available online at bendparksandrec.org or by calling (541) 389-7275.

**Credits & Refunds**

Refunds or credits are readily granted if we are notified seven days prior to the beginning of the program. Credits will only be granted if notified less than seven days prior to beginning of the program. **No credits or refunds will be issued when notified two working days or less from the start of a program.** Program fees are not refunded/prorated for participants who miss portions of programs.

**Mark Your Calendar:**

- Fall 2020 registration begins early August.

**Recreation Scholarships**

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs. The goal is to remove financial barriers for community members with limited financial resources. In the last year, approximately 700 individuals and families have participated in programs with support that provides safe, enriching activities and contribute to a physically active community.

**ABOUT SCHOLARSHIPS:**

- Visit [www.bendparksandrec.org/scholarship](http://www.bendparksandrec.org/scholarship) to download application forms or pick up an application at the district office or recreation facilities.

- You may submit your application at any time; allow at least one week for processing prior to registering for an activity.

- Scholarships can be used by children, adults and families for most recreation programs and facility passes.

- Scholarship assistance ranges from 25-percent to 75-percent of the regular fee depending on the applicant’s level of need and the specific activity or program.

- Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF, Oregon Health Plan, or Free and Reduced School Lunch.

- Scholarships are valid for one year. You must reapply for renewal.

- More at [www.bendparksandrec.org/scholarship](http://www.bendparksandrec.org/scholarship)

**Everyone can play.** Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

Facility Fee & Pass Information

Bend Park & Recreation District offers three unique recreation facilities, multiple fee options and a ton of activities.

To use a BPRD facility, choose the fee structure and payment option that best matches your needs.

No matter what you choose, you can workout, swim, skate and play with the confidence that there are:

- **No initiation or start up fees.**
- **No contracts.**
- **No auto payments that you need to cancel.**

With our monthly, 3-month and annual passes you can enjoy:

- **Unlimited in and out privileges.**
- **Quick & easy check-in.**
- **Online pass renewal.**
- **Awesome savings.**

**Month-Plus Passes** - Monthly, 3-month and annual passes may be purchased at any time. Full payment is required at time of purchase. Passes are not transferable or refundable, and may not be suspended or extended except for documented medical reasons. Passes are not prorated for scheduled closures such as holidays, special events and maintenance periods.

**10-Visit Passes** - 10-visit passes may be used for facility access at all locations of equal or lesser value. Passes may be used to gain entrance for other individual(s) provided that the primary pass holder is present and the guest(s) is in the same age category or younger.

**Student Rate** - Student rate is for full-time OSU-Cascades and COCC students currently enrolled for at least 12 credits. Transcript required at time of purchase.

**Out-Of-District Fee Policy** - The prices listed are the rates for residents of the Bend Park and Recreation District. Persons residing outside of the Bend Park and Recreation District boundaries are charged an additional 20% because they do not pay property taxes that support the district. If you need help determining if you live inside or outside the district boundaries, please call us at (541) 389-7275.

SWIMMING POOLS & AQUATICS:

Indoor/Outdoor Olympic 50-Meter Pool
With 80-degree water temperature and a removable roof system, this pool is ideal for year-round training. Moveable bulkhead allows the pool to be divided into two 25-meter pools.

Indoor 25-Meter Pool
Perfect for swim lessons, water exercise, therapy and recreation swimming. Features comfortable 85-degree water, 3.5- to 12-foot water depth, 1-meter and 3-meter diving boards and rope swing.

Indoor Children's Pool
Shallow water, easy-entry stairs and warm 90-degree water make this pool great for young children. Child-friendly features include duck-shaped slide, a giant fish and other fun splash features.

Outdoor Activity Pool
Open June to early September. A water wonderland for the child in all of us, this 85-degree pool offers a large flume slide, interactive water features, beach entry to 3.5-foot water depth and a soft-bottom surface. Spend the day on our large deck, complete with lounge chairs, picnic tables and shade structure.

Hot Tub, Dry Sauna & Steam Room
These coed amenities are perfect for post-workout relaxation.
Ages: 16 & up

The Pavilion Features

The Ice Sheet
Central Oregon's first and only NHL-size, 200' x 85' ice sheet complete with full height dasher boards, players boxes and a refrigeration system consisting of over thirteen miles of tubing to ensure quality ice condition even in marginal weather conditions.

Roller Sports Flooring
In June 2019, the Bend Bullets Roller Hockey club donated brand new roller sports surfacing for The Pavilion. Through their volunteer efforts, they provided a more skateable surface that is also multipurpose for other activities.

Lobby & Concessions
The full-service lobby includes customer service, check-in, skate rentals and full-service concessions. A local brewery is regularly on site for adult ice hockey and curling leagues.

Viewing/Warming Room
Warm up, watch the action on the ice or relax by the fireplace in our elevated viewing room with free Wi-Fi. For birthdays and other skate parties, bring the gang for open skate and rent the party room.

Changing Rooms & Lockers
Day use lockers are available in the lobby and rinkside to secure your belongings. Four changing rooms are provided for team use and controlled public access.

Frequently Asked Questions
Q: Where do I find the schedule?
A: Both the regular and holiday season schedules are posted online at thepavilioninbend.com.

Q: Is there a fee to watch a game or practice?
A: The public is welcome to come spectate. If you are not participating in the activity, there is no fee.

Q: How long is the ice season?
A: The ice season begins in late October and concludes in early April.

Q: How will weather conditions affect the ice?
A: Because the ice sheet is refrigerated and protected by The Pavilion’s roof, dasher boards and clear side panels, weather should not impact our ability to build and maintain ice. However, it is an outdoor rink and ice conditions may vary some.

**Hike, Walk & Snowshoe Ratings**

Use the following guide to select outdoor programs that fit your abilities. Times and distances may vary from indicated and at times be more or less strenuous than implied. In all cases, access to advanced medical help may be limited or delayed.

**LEVEL 1:** Moderate walks. Walking surface typically developed (paved, gravel or other), although uneven surfaces, hills or stairs may be encountered, as on a walking tour of gardens or at a large museum.

**LEVEL 2:** Outings on trails. Hiking trails typically maintained, but with occasional rocks, roots and other obstacles requiring balance. May be rough, hilly or at higher altitudes. Prerequisite: Participants should have the ability to walk up Pilot Butte at an easy pace without physical difficulty.

**LEVEL 3:** Outings typically in more remote and rugged locations. Hiking trails may not be well maintained, may be very rough, steep and at altitude. Prerequisite: Participants should have the ability to hike up Pilot Butte at an energetic pace without physical difficulty.

---

**Important Outdoor Program Information**

**Registration:** Be sure to match your experience and ability level to the course description rating level before signing up for a program. Please do not wait until the last minute to register as activities may be full or cancelled if minimum enrollment has not been met.

**Drop-ins:** Drop-ins are accepted when space is available on many outdoor programs. Drop-in fees vary by program.

**Program Info & Destinations:** Clothing and equipment recommendations, destination calendars and other information are available on the website or by contacting the Outdoor Programs Coordinator (see below). Proposed destinations may change due to weather or other circumstances. Arrive at least ten minutes before the start time. Programs typically conclude before the scheduled ending time. However, occasionally we arrive back later than planned.

**Food & Water:** Participants are responsible for bringing and carrying their own food and water for outings unless otherwise indicated.

**Message Phone:** In the event of inclement weather, call (541) 389-7275 after 8:00 am (M-F) on the morning of your program to find out if your program has been cancelled. You may also leave a message for your trip leader on the morning of your program.

**Leadership:** BPRD outdoor leaders are trained in Wilderness First Aid and CPR skills and have gone through BPRD van driver training. Trip leaders carry a first aid kit and cell phone.

**Transportation:** Round-trip transportation is provided to and from the day’s destination in the district’s 15-passenger vans.

**Questions? Concerns?** Contact the outdoor program coordinator at EricD@bendparksandrec.org or (541) 706-6116.

Therapeutic Fitness Program

As Bend Park and Recreation District encourages everyone in our community to Play for Life, we are here to help you make the most of your fitness with targeted therapeutic fitness programs which research has shown to offer health benefits.

Here are some health challenges where therapeutic fitness could offer help:

- **MOBILITY ISSUES**
- **BACK PAIN**
- **CHRONIC CONDITIONS, ESPECIALLY RELATED TO JOINTS & MUSCLES**
- **PREVENTING INJURY**
- **PREPARING FOR SURGERY**
- **RECOVERING FROM SURGERY OR INJURY**
- **NEXT STEPS FROM PHYSICAL THERAPY**
- **WEIGHT LOSS**

Whether you are seeking low-impact and light-intensity, cardio, strength or mobility, you can take a class or work individually with an instructor or trainer to get back on track. All classes are designed to help you make the modifications recommended by your health care professional.

To get started, call (541) 706-6188.

We’re here to help. BPRD has numerous options for you whether you are transitioning from physical therapy or beginning a dialogue with your physician to discuss your exercise plans. Contact us to keep moving to enjoy your Bend lifestyle.

---

**Therapeutic Fitness Options**

Bend Park and Recreation District features three different therapeutic fitness program options so you can access the type of program you need.

1. **INDIVIDUALIZED THERAPEUTIC FITNESS PROGRAMS**
   It’s like having your own fitness coach! Beginning with a personal consultation, your unique needs will be assessed and individualized sessions created to meet your fitness goals.

2. **DROP-IN WEEKLY THERAPEUTIC FITNESS CLASSES**
   Join in regular weekly fitness classes that match your needs for recovery, chronic conditions and injuries.

   **Use your Drop-In or Full-Access Pass**

   - **Moving to Music**
     A lively, fun chair exercise class with upbeat, varied music to help you move more freely and without pain. Program designed by the Arthritis Foundation.

   - **Mobility Thru Water**
     Consists of a series of gentle exercises which focus on improving strength, flexibility, balance, range of motion and cardiovascular fitness in a friendly, supportive social setting. Designed by the Arthritis Foundation, this is a great program for people with arthritis, fibromyalgia and anyone seeking relief from chronic pain.

   - **Water Therapy Class**
     Research has shown that therapeutic fitness in the water can make a difference in outcomes. Water’s natural resistance provides a low-impact environment to gain strength and water’s buoyancy relieves compression on the joints and improves range of motion. Ideal for those preparing for, or recovering from surgery or an injury.

   **LOOK FOR FIT4U AND 101 CLASSES**

   For more classes to match your therapeutic fitness needs, look for both Fit4U and 101 classes which are specially-designed for those wanting a lower impact and light-intensity workout. Look for the Fit4U icon. Learn more on page 54.
Fitness Workshops

Mind & Body:

Benefits: Rooted in traditional practices, Mind & Body classes aim to improve your overall health and wellbeing through stretching, focused breathing, relaxation techniques and strengthening movements or poses. Yoga, Pilates, Tai Chi, meditation and other practices are known to build on both physical and mental awareness and wellness.

All Levels

Yoga 101 (JSFC)
Get started in yoga! We will cover the foundations of poses along with modifications and class formats. Learn how to build a practice that meets your needs and goals.

Pilates 101 (JSFC)
A personalized experience where you will learn the foundational Pilates exercises.

Pilates Fundamentals (JSFC)
Designed to help new students feel more comfortable in their Pilates practice or for the more experienced seeking a slower pace to create a foundation for each exercise.

Chair Yoga (BSC)
An introduction to yoga using modifications while seated or standing behind a chair to increase balance and strength. Personalized assistance is available as needed. Breath and alignment emphasized.

Guided Meditation (JSFC)
A quiet time and space to focus on breathing, and your personal intention, as you relax in an extended Savasana.

Yoga 101 (JSFC & BSC)
This yoga practice is designed to settle the mind, stretch the body and cultivate relaxation in the moment with meditation, breath work and asanas, or seated poses.

Yoga for Healthy Aging (BSC)
Learn to use yoga to manage and adapt to the changes associated with aging. Emphasis on yoga poses to promote strength and flexibility both physically and mentally, balance, breathing and relaxation techniques.

Yoga Fundamentals (BSC)
Learn to do yoga poses correctly and safely with an emphasis on alignment, proper muscle action and breathing techniques. This class moves at a slow pace and includes the instruction and tools to develop your yoga practice.

Restorative Yoga (JSFC)
Restorative yoga poses prioritize stillness. This passive practice is done lying and seated, allowing time to go deep into stretches and lengthen tight muscles. Quiet your mind as well as your body.

Restorative Flow Yoga (JSFC & BSC)
Restorative Flow includes gentle movement with the breath in standing poses, as well as passive lying and seated stretches.

Restorative Yoga for Athletes (JSFC)
A restorative practice designed to enhance athletic recovery and reduce the risk of injury. Add flexibility training to your workout routine and improve your athletic performance.

Yin Yoga (JSFC)
Opens the connective tissue in the body using deep, passive poses held for several minutes. This practice challenges your mind to relax as you tether your focus to your breath.

Prenatal Yoga (JSFC)
Journey through this magical time together as you maintain fitness and wellbeing. Classes are ongoing and you can start any time after you receive a doctor’s or midwife’s approval.

Baby & Me Yoga (JSFC)
Journey back into your yoga practice with baby at your side. Make new connections and build friendships as you transition from pregnancy. Babies are welcome from six weeks to walking. Classes are ongoing and you can start any time after you receive a doctor’s or midwife’s approval.

Tai Chi 8 Movement (BSC)
This class is designed for those that want to build on the 8 Movement form of Tai Chi as a bridge to the 24 Movement. Features both formats.

Tai Chi 24 Movement (BSC)
Further your practice of Tai Chi with additional movements to help improve balance, movement, vitality and wellbeing.

Intermediate Levels

Flexible Strength Through Yoga (JSFC)
A fitness-style yoga class that moves with the breath, continuously stretching and strengthening the body.

Kundalini Yoga & Meditation (JSFC)
Known as the yoga of awareness, the yoga of consciousness. In Kundalini, practitioners use asanas (physical postures), pranayama (breath), chanting and meditation to transform and deepen our personal practice.

Yoga Flow (JSFC & BSC)
An introduction to Vinyasa Yoga, moving with the breath, this alignment-focused class features a flowing sequence of meditation, breath and traditional Hatha Yoga asanas and aims to increase energy, flexibility and strength.

Vinyasa Yoga (JSFC & BSC)
Move with the breath in this dynamic form of yoga which incorporates sun salutations and connecting asanas to create flow in your practice.

Need child care while you work out?

YOGA FOR ATHLETES
Yoga for athletes reaches the athlete in all of us by improving balance, flexibility and mental focus. Yoga poses and breath work can help improve performance, sleep, injury reduction and recovery.

YOGA & PILATES
Learn to move your body from your core, your powerhouse with techniques and benefits of both disciplines. Yoga increases flexibility and balance; Pilates increases core strength and lengthens the muscles.

PILATES BARRE
Class flows through a series of Pilates and Barre-inspired exercises to develop deep pelvic floor and posture stabilizing muscles. Done primarily standing.

PILATES MAT
Using the fundamentals of Pilates, flow through a contemporary series of Pilates and Pilates-inspired mat exercises to develop deep pelvic floor and posture-stabilizing muscles.

Advanced Levels
PIYO LIVE!
PiYo Live! combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility advantages of yoga. This combo mixed with speed delivers a fat-burning, low-impact workout that aims to have your muscles long, lean and defined.

POWER VINYASA/ SOUNDBATH
Come ready to sweat in this challenging practice that can produce extraordinary physical results. In this faster paced workout-style yoga that is combined with immersive, meditative sound, practitioners can advance themselves while building more strength and flexibility. Six months of prior practice of yoga is recommended.

SCULPT FUSION YOGA
This challenging, athletic workout features yoga-inspired exercises combined with balance and flexibility training. Incorporates free weights and is set to current upbeat music.

Water Fitness:
Benefits: Cross train with the three dimensions and characteristics of water - buoyancy, support and resistance! With little to no impact on your joints, water exercise improves your cardio fitness while strengthening and toning muscles, using the water’s resistance. No swimming skills are needed and classes held in the deep water use floatation devices. Water shoes are recommended.

DEEP/SHALLOW AQUA FIT & FUN
Wow! Get a total body workout to motivating music. Takes place in the shallow and deep end of the pool. All levels welcome. Just come and have fun moving and grooving.

DEEP/SHALLOW WATER WORKOUT
Total body workout emphasizing cardio, with the benefit of core strengthening, muscle toning and stretching. Maintain or improve your fitness level without jarring your joints. Classes held in the deep water use floatation devices.

DEEP WATER WORKOUT & PRENATAL
Total body workout offering cardio, core strengthening, muscle toning and stretching. Classes held in the deep water use floatation devices.

DEEP WATER WORKOUT
Move against the resistance of the water and create a challenging workout with directional changes. Run, ski and move through the water while each stride helps you become a more effective and efficient runner with zero impact. Great cross training for runners and non-runners alike.

DEEP WATER WORKOUT & PRENATAL
New students are required to attend this 15-minute introduction. Not recommended for prenatal students.

DEEP TETHERED RUNNING 101
High intensity deep water running class that provides a total body workout without any impact. Your flotation belt is anchored to a lane line, providing even greater resistance. Set to upbeat music, participants can work out harder, get their heart rates up higher and burn more calories than running on land. Not recommended for prenatal students.

WATER YOGA & PILATES
The energy, flow and buoyancy of the water provides a perfect environment to release and rejuvenate. Begin your practice with breath work as you hang and decompres in the deep water. Move to the shallow water for balancing, core and traditional yoga and Pilates exercises.

Private & Semi-Private Yoga & Pilates Sessions
The personalized instruction you want to help achieve your individual goals.
30-minute session: $28.00
60-minute session: $55.00
Session can be shared with one partner of like abilities and goals. See page 54 for more.

With Inclusion, Everybody Benefits!

If you or your child has a disability and are interested in participating in a general program, we will help make it happen. When people with disabilities participate in general programs EVERYBODY benefits! To ensure successful inclusion, we encourage you to check the box on the registration form that says “check here if you want an assessment team to contact you about disability accommodations.” Someone from the Therapeutic Recreation Department will contact you to discuss what we can do to make your experience a success!

The only disability in life is a bad attitude. — Scott Hamilton

**Adult Therapeutic Recreation**

In an effort to make the registration process accessible to everyone, BPRD-TR is using a survey to increase the likelihood that many of you will be selected to enroll in several of your top choices for winter-spring programs.

The survey is available at bendparksandrec.org/TR and will be open December 9 - 29. You will be notified by January 3 of your classes and arrangements for payment must be received by January 8 or your spot will be forfeited. After January 8, any unfilled classes will be open for anyone to register. If at any time you have questions, please contact Cheryl Kelley at 541-706-6121 or cheryl@bendparksandrec.org.

About Bend Ice
Bend Ice is Bend Park & Recreation District’s community partner in helping promote and develop ice sports available at The Pavilion including hockey, curling and figure skating. Founded in 2010, Bend Ice traces its roots to a small group of ice sports enthusiasts dedicated to creating a culture of ice sports in Central Oregon. A non-profit, community-supported organization, Bend Ice has seven active Board members and a team of dedicated volunteers.

Bend Ice Figure Skating Club
Come meet new friends, develop your skating skills and have a blast! The Bend Ice Figure Skating Club is perfect for skaters who have mastered basic skating skills equivalent to Level 4 and above. Club members get access to exclusive practice ice time to skate as a team and prepare for testing, competition and exhibition events. Joining the club helps take an individual sport to a team sport and gives skaters the opportunity to skate with like-minded athletes.

Bend Rapids Hockey Club
The mission of the Bend Rapids Hockey Club is to provide travel teams an instructional and competitive environment aimed at developing hockey players. The club’s philosophy is to provide both on- and off-ice training using USA Hockey trained coaches for U8, U10, U12, U14 and high school teams. Adhering to USA Hockey safe sport policies, the club offers a competitive travel schedule designed to stretch players as they develop into excellent athletes and young people.

Bend Park & Recreation has adaptive equipment for people with physical disabilities. An adaptive golf cart, sports wheelchairs, adult hand-cycles and two child hand-cycles are available. If you are interested in using this equipment or renting it for an outing with friends and family, please call (541) 706-6121.
Many thanks to every volunteer who generously contributed time as a coach for youth fall sports programs. These people share their time, talent, energy and compassion to truly make a difference for the children and families who participate as part of their team. We couldn't do it without you!

Bend Unified Recreational Soccer League

Volunteers Needed to Coach Youth Team Sports

Make a difference for a group of kids!
Volunteers are essential to youth sports programs. We are currently seeking volunteer coaches for:

- Girls Middle School Basketball
- Ice Skating Lessons Support
- Bitty Baseball
- Youth Lacrosse
- Girls Softball
- Flag Rugby

Sport experience preferred. Application and background check required. Training and support provided. For more information, contact Rich at (541) 706-6126 or rich@bendparksandrec.org.
to our fall sports sponsors.

Sponsorship of BPRD sports programs provides resources that are directed to recreation scholarships.

Thank you to these sponsors whose valuable support will help fund scholarships for lower income children, families and adults in our community, so that everyone has access to quality recreation experiences.

Park Features & Amenities

Get out and play with our features and amenities guide. Need to know how to get to a park? An interactive map is available online at bendparksandrec.org and a print map is available at our facilities.

For additional information on parks and trails, visit our website at bendparksandrec.org or call (541) 389-7275.

PARK & TRAIL RULES & REGULATIONS:

These rules are in place for the safety and enjoyment of all park users. Park users are responsible for knowing and following all park rules. This is a partial list.

For the full rules and regulations text, call 541-389-7275 or visit our website at bendparksandrec.org.

For non-emergency police matters, call 541-693-6911.

For emergencies, dial 911.

• Parks and trails are open 5:00 am to 10:00 pm daily.
• City ordinances require that dogs must be on leash at all times within the city limits (except at designated off-leash areas) and their waste properly removed. Dog “rest stops” along the trails and in the parks provide you with disposal bags and trash cans. Dogs are allowed in all parks except for Riley Ranch Nature Reserve.
• Do not litter. Trash cans are located throughout the park and trail system.
• Vehicles must remain on roadways or in parking areas. No parking on district property between 10:00 pm and 5:00 am.
• No camping, smoking or fires allowed. Alcoholic beverages allowed by permit only.
• Feeding geese, ducks, other waterfowl and wildlife is not allowed.
• Removing vegetation is not allowed.
• Propane cook stoves are allowed; no charcoal grills allowed.
• Metal detectors allowed by permit only.
• The use of airborne projectiles, including golf and archery, is not allowed.
• Sales and concessions are allowed by permit only.

TRAIL USE:

• Some sections of the trail are on private property. Please stay on the designated trail.
• Areas along the river are sensitive wildlife habitat. Please do not walk along the river bank.
• Bicyclists are not allowed on some sections of the trails or in Riley Ranch Nature Reserve. Please observe pedestrian-only trail sections. No motorized vehicles allowed on trails.
