

Distancing on the trails done right.

- Stay **six feet** from others.
- Offer a wide berth when passing, say a friendly “hello, passing on your left.”
- Visit less popular trails at less popular times. Most trails are open 5 am to 10 pm.
- Go solo or only with members of your household. No groups.
- Wash your hands before and after a visit.
- Follow local and national health guidance.
- If you’re sick, stay home.
- Keep dogs on leash. It’s the law in Bend.
