It has been quite a year for us all. Although the pandemic shut down some of our facilities for a period of time, the community showed us how much you love our parks and trails and has returned to our indoor facilities, all of which are open for you.

While offering services to you we pledge to follow the pandemic guidelines as closely as possible in order to maintain as safe an experience as possible. To some this may appear to be an inconvenience, but to us it is a necessary approach to maintaining healthy environments from which we can play and recreate together. We hope that Bend Park and Recreation continues to be your choice when it comes to healthy recreational pursuits. We desire to serve our patrons by offering the best we can at all times – including during a pandemic.

This fall your Playbook offers a variety of options for all ages with indoor and outdoor opportunities. Although we are still operating under specific guidelines through this public health crisis that has lasted longer than any of us could have anticipated, we still have programs and activities to keep you active, engaged and healthy.

I hope that you will find something that interests you in the Playbook to enjoy this fall. Of course, our 85 parks and 75 miles of trails are also available and offer some spectacular fall colors and foliage. Personally, I am looking forward to seeing our sports fields full of kids having fun and the families that gather to support their children and one another. Our staff at Bend Park and Recreation District appreciates your patronage and patience as we all continue to persevere as a community.

bprd news & happenings

Welcome your new board representatives

New board member Zavier Borja was sworn onto the BPRD board of directors, and Deb Schoen and Nathan Hovekamp were officially reappointed following the May election results. Outgoing board member Ted Schoenborn was celebrated after 18 years of service to BPRD’s board. Thank you, Ted!

For the 2021-22 year, Ariel Méndez will serve as chair of the board and Deb Schoen will be vice chair. The legislative liaison will be Nathan Hovekamp. To learn more, visit the Board of Directors webpage.

Diversity, Equity and Inclusion

The district is nearing the home stretch on a year-long project to develop a roadmap for how it can improve in being a more diverse, equitable and inclusive organization. The project goals are to assess strengths, opportunity for improvement and to develop actions to build trust with members of the community who have been historically underrepresented and underserved. BPRD hired Talitha Consults to lead the project, which includes the survey, an organizational assessment and action plan. The district will share the survey results, organizational assessment and action plan by late 2021, and begin implementing the actions immediately following. To learn more, visit Diversity Equity and Inclusion efforts information.

River access and habitat restoration planning

BPRD has 16 parks along the Deschutes River, which include 25 designated access points and over 94 user-created access points to facilitate play in the water. The popularity of river use has resulted in impacts such as trampled vegetation, user-created access paths and erosion along the riverbank.

With a River Access and Habitat Restoration Plan, the district is taking a proactive approach to identify and recommend river access and habitat restoration projects, likely over the next 10 years, with a combination of district general funds, partnerships and grants. BPRD received a grant for technical assistance from the National Park Service, Rivers and Trails Conservation Assistance program (NPS-RTCA) for the completion of the plan. To learn more, visit the Deschutes River Access and Habitat Restoration Plan project page.
Water use adjustments during drought

Patience and understanding have been much appreciated as BPRD did its part to reduce water use this summer in consideration of drought conditions. We reduced irrigation water by up to 15% in all parks this summer. We also chose not to turn on water play features in parks. We use smart irrigation controllers that calculate daily evapotranspiration rates based on wind, temperature and other factors. The controllers are monitored daily by our staff and are adjusted quickly as needed.

VOLUNTEER OPPORTUNITIES @ BPRD

BPRD volunteers help make fun happen! Here’s where you could lend a hand this fall & winter:

FITNESS: Classes for adults, seniors and children.

YOUTH SPORTS COACHES: Volleyball, middle school basketball, youth basketball, bitty basketball, youth hockey and helpers for ice skating lessons.

YOUTH RECREATION: Afterschool and no school day art, crafts, science, nature and activity programs.

THERAPEUTIC & ADAPTIVE RECREATION: Therapeutic swimming for school-age kids and recreation opportunities for children and adults with disabilities.

COMMUNITY EVENTS & ACTIVITIES: Social and fun activities for children, families and adults.

CARING FOR PARKS & TRAILS: Be a host at Riley Ranch Nature Reserve or Shevlin Park, help with goose management, adopt a park or trail, or gather a group and schedule a park maintenance project in the spring.

Find out more at bendparksandrec.org or contact Kim, BPRD Community Engagement Supervisor at Kim@bendparksandrec.org or (541) 706-6127.

SNOW REMOVAL ON PATHS & TRAILS

The Bend Urban Trails System connects our community and encourages recreation and non-motorized transportation throughout the year. If Bend should have a snow event of two inches or more, BPRD Park Services strives to remove the snow from the following trails:

- Cascade Highlands Trail from Overturf Off-Leash Area to Skyline Ranch Rd.
- Coyner Trail from Ponderosa Park to Juniper Park.
- Discovery Trail from Clearwater Dr. to Skyliners Rd. and from McClain Dr. to Shevlin Park.
- Drake Park pathways.
- Larkspur Trail from Bear Creek to Neff Rd. through Pilot Butte State Park.
- Pine Nursery Park Loop Trail.
- West Bend Trail along Galveston and Skyliner Rd. between 17th St. and Skyline Ranch Rd.
- Pathways in Riverbend and Farewell Bend parks.
- Haul Road Trail from Mckay Park to Mammoth Dr.
- Pioneer Park to the First Street Rapids Bridge.

Please be patient during heavy snows.

These trails and more can be found in the latest Bend Adventure Planner Map, available online or at the District office and facilities.

SEASONAL SHUTOFFS & CLOSURES

As part of winter operations, BPRD Park Services shuts off park irrigation, drinking fountains, water features and even some restrooms to avoid issues related to winter’s freezing temperatures. Typically, shut offs begin in October and continue through late-April. In addition, many park restrooms close earlier in the evening in the winter. In spring, when consistently above-freezing temperatures return, our crews make the rounds to all the various amenities in the park system to test equipment and return services for the busy seasons ahead.

For the Health of It! Outdoor Wellness Fair

Thursday, September 23, 2021, 12:00 - 3:00 pm:

Join BPRD for a FREE, fun-filled afternoon to learn about health and wellness resources for older adults. The event features a free lunch, representatives from community agencies and service providers, health screenings and Larkspur Community Center tours.

Due to changing health requirements and guidelines, some of your other favorite BPRD events won’t be announced until closer to the event date and on a case-by-case basis. Thank you for understanding.

FITNESS & SWIM AT BEND PARK AND RECREATION DISTRICT

Owned and managed by Bend Park and Recreation District, Larkspur Community Center – Home of the Bend Senior Center is a vibrant place where people of all ages, interests and abilities can gather for lifelong fitness, learning and recreation. It continues the legacy of the Bend Senior Center and further enhances opportunities for older adults in our community.

Larkspur opened April 5 to meet the community’s growing needs across all age groups, including active older adults who have a variety of interests and desires for fitness, recreation and social activities.

“Larkspur Community Center, Home of the Bend Senior Center, is a decade in the making from concept to construction to respond to community growth, particularly among the rapidly growing older adult population,” said Nathan Hovekamp, past-chair of the BPRD Board of Directors.

“This day has been a long time coming, and the facility will serve the community in important ways.”

Features:

At 34,000 square feet, Larkspur features many fitness, swim and enrichment amenities, including:

- Two dedicated functional fitness spaces filled with natural light and a maple-sprung floor
- 4,000-square-foot aquatics center features a 135,000-gallon recreation and leisure pool with current channel
- Cafe space and community areas
- Classrooms & a full commercial kitchen
- Fitness center with a walk/jog track, state-of-the-art equipment and stunning views
- Precor fitness cardio equipment, including treadmills, ellipticals, ergometers, upright and recumbent bikes
- Three SciFit bikes with removable seats for wheelchair use
- Functional fitness equipment, including free weights, balance equipment and cable-cross machines
- Precor equipment features an Advagym user-integrated app to personalize, monitor and guide your fitness activity
Last year I was supposed to get a shoulder operation, but I got some water therapy and I have been coming here and I do not need shoulder surgery!

I would not be able to walk without that pool.

Formerly a pasture, Goodrich Pasture Park recently opened to the public in Bend’s Orchard District. It’s a 2.46-acres park located at 11th Street and Quimby Avenue.

The property was purchased by Bend Park and Recreation District to meet its level of service targets for residents. The site had been used as a pasture by the Goodrich family since the 1940s.

Features include a large open lawn, exploratory play areas, paved pathways, picnic benches and seating areas, small demonstration garden, bike parking, ADA parking and ADA accessible portable restroom.

Construction on the park began in fall 2020. The project also included a portion of right-of-way work, including street infrastructure and sidewalks in partnership with the City of Bend. In addition, there is a safer pedestrian crossing at Penn Avenue and 11th Street to enable access from the neighborhood to the south.

There’s a new trail section open that connects Discovery Park to Shevlin Park on Bend’s westside. The section of the Outback Trail passes through 30 acres of undeveloped land west of Discovery Park that will soon be transferred to Bend Park and Recreation District and preserved as open space. The Outback Trail enables trail users to use parking at Discovery Park to access the more than 22 miles of trails within Shevlin Park.

“The new Outback Trail is ready for use at a great time when the benefits of spending time outdoors have never been greater,” said Henry Stroud, park district trail planner. “This trail connection greatly enhances safer, non-motorized access to Shevlin Park from Bend’s west side allowing trail users to avoid the stress of riding on or along Skyliners Road.”

Curbside parking is available at Discovery Park along NW Discovery Park Drive and NW Crossing Drive/NW Crosby Drive. Parking is also possible at Phil’s Trailhead.

For more information and photos, visit the Outback Trail web page.

- Paved Miles: .9 miles
- Compact Gravel: .8 miles
- Natural Surface: .8 miles

Women of Discovery.
The Outback Trail can be accessed directly from Discovery Park and features the “Women of Discovery” mural in the undercrossing beneath the Skyline Ranch Road bridge. “Women of Discovery” was painted by local artist Douglas Robertson and was commissioned by NWX2 LLC in coordination with BPRD. The trail currently has a gravel surface and will be relocated and replaced by a permanent asphalt trail as future phases of Discovery West are developed.
Bend is growing and our work is ongoing to keep up with your park and trail system. To support our community’s needs, the district is adding new parks and trails while also updating aging facilities, parks and trails.

Together, these projects keep staff busy with land purchases, project design, public outreach to gather input, and construction to turn plans into recreational amenities for our community.

**Northpointe Park**

The area north of Cooley Road was identified as a high priority to serve the growing residential development. This new 2.68-acre park site is located along the eastern edge of the Boyd Acres subdivision in northeast Bend. The park will include neighborhood amenities, such as a playground, half-court basketball, a small skate spot, an open lawn space and natural areas with trails. Construction will start in late summer with an anticipated opening next spring.

**Hollygrape Park ADA Updates**

This project will replace the old paver pathway within Hollygrape Park, addressing ADA issues with newly paved trail and better access to the playground. Construction is expected to start this winter.

**Completed Projects**

The following projects were completed in the last year.

- Empire Crossing Park
- Goodrich Pasture Park
- Juniper Park
- Larkspur Community Center
- Outback Trail
- Pacific Crest Athletic Fields
- Pine Nursery Disc Golf Course
- Pioneer Park
- Rockridge Park Restrooms
- Shevlin Park

Park, Facility & Trail Projects
Alpenglow Park

Purchased as part of the 2012 bond measure projects, Alpenglow Park is located in southeast Bend on 15th Street, north of Knott Road. At 37 acres, the park is bordered by railroad tracks to the west and Bend-La Pine school sites to the south. The park will include an off-leash dog area, outdoor event space, open lawn area, shade structures, restrooms, spray ground, play area, demonstration garden, climbing/bouldering/slacklining area, paths, trails and natural space. Alpenglow will offer multiuse paths connecting to surrounding areas. Construction is underway and various areas of the park are taking shape. Construction is expected to continue through 2021 with the park completion in the spring of 2022.

Haul Road Trail

The district received a grant to improve the Haul Road Trail from McKay Park westward approximately six miles to the Deschutes National Forest’s Cascade Lakes Welcome Station. The twenty-year-old trail has varying surfaces in need of repair. Identified as a primary, multi-use trail, it will be repaved and the 1.5-mile currently unpaved section will be paved. Done in partnership with City of Bend, which owns a portion of the trail, this project aims to revitalize an important alternative transportation route through Bend’s west side and connect to public forest lands. Construction began in July and is expected to be completed in November.

Central Oregon Historic Canal Trail (COHCT) - Crossing Safety Improvements

The COHCT is a multi-use trail that runs along the Central Oregon Irrigation District’s main canal and is managed by BPRD. When complete, the 9-mile trail will connect the Deschutes River Trail near downtown Bend to Eastgate Park, an undeveloped park east of town. Three and a half miles of the trail are currently open for public use. In 2021 the district received a grant to make safety upgrades to the Blakely Road, Brosterhous Road, and Ferguson Road crossings. These improvements are part of a larger effort by the district to eliminate barriers along the trail system and improve safety for trail users.

Big Sky Park & Luke Damon Sports Complex

Big Sky Park & Luke Damon Sports Complex is an existing 96-acre community park located east of Hamby Road and north of Neff Road. The park is a combination of undeveloped natural areas and developed areas with restroom facilities, paths, playground, sport fields and an off-leash dog area. In 2017, the Board of Directors approved an updated master plan for the park, with activities that provide an additional range of recreational opportunities for the community.

The improvements will be constructed in two phases. The first phase includes new access from Hamby Road, additional parking, improved vehicle circulation through the park, and a multi-use soft surface trail around the perimeter of the park. This phase is currently out to bid with construction scheduled to begin in October and be completed next summer 2022. A future second phase with bike park features such as a pump track, slope-style course, bike trials area, jump course, tot zone, and bike skills development area is planned to be built with construction starting fall 2023.

In an effort to improve the safety of the Central Oregon Histrical Canal Trail, BPRD is using grant funds to add safety upgrades to Blakely Road, Brosterhous Road and Ferguson Road crossings.
Canal Row Trail Connection

This is a small sidewalk trail connection along the north side of Butler Market Road just east of the existing Canal Row Park. The project will connect a new sidewalk trail from the NE corner of the intersection of Butler Market Road and Brinson Boulevard, east to the existing sidewalk on the neighboring preschool property, completing the sidewalk section. Construction is expected to start this September and be completed by November.

Future Neighborhood Park, Search Area 4

In 2020, the district began working with Pahlisch Homes on the planning and design of a 5.2-acre neighborhood park located in the future Petrosa development in NE Bend. This park was identified in the district’s comprehensive plan (Park Search area #4) to meet the needs of the future residents in this urban growth boundary expansion area. Once completed, the park will be located at the intersection of Eagle Road and NE Boulder Creek Drive.

The park is currently in the design phase with close coordination between district staff and Pahlisch’s design team. Features proposed for the park include open lawn, picnic and gathering space, play area, bike skills trail, paved loop path, and natural soft surface trails. Park construction is expected to begin fall/winter 2021.

Drake Park/Deschutes River Trail and Bank Improvements

The banks of the Deschutes River at Drake Park and Pacific Park have deteriorated over time, resulting in safety and environmental issues. The district plans to improve the banks and connect the Deschutes River Trail through Drake Park and Pacific Park. Design, engineering and permitting are underway. Construction is anticipated to begin in fall 2021.

Riverbend South River Restoration and Access Project

BPRD and Upper Deschutes Watershed Council (UDWC) are working in partnership to improve and manage the riverbanks of the Deschutes River. This project focuses on the river-left stretch between the Bill Healy Bridge and pedestrian footbridge connecting Farewell and Riverbend parks. Full funding for construction of this project has been secured through contributions from BPRD, and grants from the Sunderland Foundation and the Oregon Watershed Enhancement Board (OWEB). Staff and UDWC are coordinating what will likely be a long permitting process, with the goal of breaking ground in fall 2022.

Shevlin West Parkland

The district will be developing a 3.5-acre neighborhood park located in the Shevlin West neighborhood development, a planned 116-lot subdivision being developed by Empire Shevlin LLC. The proposed park is located within one of the district’s park search areas, is immediately adjacent to an 8.2-acre open space property recently acquired by the district, and will have direct trail connections to Shevlin Park. The district plans to open the park in 2024.

Deschutes River Access and Habitat Restoration Plan

BPRD is planning for recreational access and riparian habitat restoration at parks along the Deschutes River. The draft Deschutes River Access and Habitat Restoration Plan was developed with community input and includes 27 projects to be implemented over the next decade. The final plan is expected to be adopted this fall. Learn more about the plan at bendparksandrec.org/riverplan.

With Tumalo Creek running through its center, Shevlin Park will soon see accessibility upgrades, trail improvements and creek restoration projects.
how to register

Registration by Phone
If you are not able to register online, you can register by phone at (541) 389-7275.

New Accounts
You can go online or come in person to create a new account. New accounts created online must be verified for district residency and accuracy. NOTE: This process is normally completed in 24 hours.

Online Registration Instructions
1. Click on the “Register” link on our website or go directly to: https://register.bendparksandrec.org

2. Enter your email and password. You already have an account if you have recently participated in a program or have a pass at Juniper Swim & Fitness Center, The Pavilion or Bend Senior Center. The default password is your last name (first letter capitalized) unless you set it up differently.

3. Make sure all family members are added with correct birth dates and genders.

4. You can select/search for activities in one of three ways:
   - Activity Number (Fastest) - Enter the activity number (first six digits) in the box. Click on the Search button. The activity numbers are printed in this guide.
   - Keyword Search - Just enter ONE word for the activity, such as part of the name or something about what it does. For example: Art, Lacrosse, Camp, Guitar, etc. Click on the Search button. Scroll down to display a list of programs linked to that keyword.
   - Type or Category - Simply click on the name for the types of programs that interest you. Scroll down to view all the programs offered.

Out-of-District Fee Policy
Out-of-district residents do not pay property taxes that support the district and will be charged an additional 20% for most programs. If you need help determining if you live inside the district boundaries, call us at (541) 389-7275.

Credits & Refunds
Refunds or credits are readily granted if we are notified seven days prior to the beginning of the program. Credits will only be granted if notified less than seven days prior to beginning of the program. No credits or refunds will be issued when notified two working days or less from the start of a program. Program fees are not refunded/prorated for participants who miss portions of programs.
Bend Park & Recreation District offers three unique recreation facilities with multiple fee options and activities.

To use a BPRD facility, choose the fee structure and payment option that best matches your needs.

No matter what you choose, you can workout, swim, skate and play with the confidence that there are:

- No initiation or start up fees.
- No contracts.

With our monthly and annual passes you can enjoy:

- Unlimited in and out privileges.
- Quick & easy check-in.
- Online pass renewal.
- Awesome savings.

10-Visit Passes - 10-visit passes may be used for facility access at all locations of equal or lesser value. Patrons may use visits for themselves or guests at the same entrance fee. This pass doesn’t expire.

Monthly & Annual Passes - Monthly and annual passes may be purchased at any time. Full payment is required at time of purchase. Passes are not transferable or refundable, and may not be suspended or extended except for documented medical reasons. Passes are not prorated for scheduled closures such as holidays, special events and maintenance periods.

Family Pass Special: Family passes include any adult, youth or senior family members living in the same household. Three member minimum required.

Annual Pass Discount: Save 20% off the monthly fee with an annual pass. Combine with couple and family pass specials for the best value!

Partner Discount: Save 10% off monthly and annual passes when two people in the same household purchase a pass at the same time. Includes adults, youth and senior family members in the same household. Not applicable to Social Activities pass.

Out-Of-District Fee Policy - The prices listed are the discounted rates for residents of the Bend Park and Recreation District. Persons residing outside of the Bend Park and Recreation District boundaries are charged an additional 20% because they do not pay property taxes that support the District. If you need help determining if you live inside or outside the District boundaries, please call us at (541) 389-7275.

Recreation Scholarships

We believe that everyone should have the opportunity to participate in recreation activities. Financial need-based scholarship assistance is available to qualifying individuals for many recreation programs. The goal is to remove financial barriers for community members with limited financial resources. In the last year, approximately 700 individuals and families have participated in programs with support that provides safe, enriching activities and contribute to a physically active community.

ABOUT SCHOLARSHIPS:

• Visit bendparksandrec.org/scholarship to download application forms or pick up an application at the district office or recreation facilities.

• You may submit your application at any time; allow at least one week for processing prior to registering for an activity.

• Scholarships can be used by children, adults and families for most recreation programs and facility passes.

• Scholarship assistance ranges from 25-percent to 75-percent of the regular fee depending on the applicant’s level of need and the specific activity or program.

• Eligibility is based on household income and number of dependents living in the household, and aligns with the Federal Poverty Guidelines and other assistance programs. Generally, you may be eligible for scholarship assistance if your household qualifies for SNAP, TANF, Oregon Health Plan, or Free and Reduced School Lunch.

• Scholarships are valid for one year. You must reapply for renewal.

Everyone can play. Additional support with program fees and equipment may be available through funding provided by Bend Park and Recreation Foundation.

Your Health & Safety in Park & Recreation

The health and safety of our community is our top priority. Bend Park & Recreation District maintains high standards related to health and wellness and closely follows guidance from state and local health authorities.

Temporary rules and special requirements are in place for programs and activities. Be sure to visit the district’s website for your program or activity for up-to-date information.

FREQUENTLY ASKED QUESTIONS:

Q: how do I know if a program can be offered?
A: In general, most of our recreation programs are permitted to occur as mandated by the State of Oregon. Modifications to the program may occur as a result of the public health situation. If BPRD cancels a program, program fees will be credited to your account or refunded upon request.

Q: are face coverings required? what about distancing?
A: We are following local and national guidance as the public health situation changes. As of August 2021, face coverings will be required for indoor programs. Details will be provided by recreation coordinators in advance of a registration activity if there is additional guidance for participants.

Q: how are program participants managed?
A: The State of Oregon informs the number of participants allowed for recreation programs. Class sizes may be changed – either increased or decreased – to meet distancing requirements. Our goal is to ensure a high-quality experience for all participants.

Q: what if a program is cancelled?
A: Credits will be automatically issued for any canceled or shortened classes and facility passes will be automatically paused for the duration of a closure. There is no need for patrons to request credits and extensions. Refunds are available upon request.

Q: what if a participant or staff member tests positive?
A: We work quickly with the Deschutes County Health Department on notification when a confirmed case occurs. This is why registration and check-in are key. Notification may be done by BPRD or the county for the safety of patrons, staff and volunteers.
Let’s roll

Learn + play.

This section of classes is designed for those of us of a certain age. As adults, it’s important to implement both discovery and play in our lives. Lifelong learning helps keep our brains fresh and play helps us feel young. And who doesn’t want that?

**Learn + play.**

“Play is often talked about as it were a relief from serious learning. But for children, play is serious learning. Play is really the work of childhood.”  
- Fred Rogers, aka Mister Rogers

Play is the focus of youth activities whether it’s crafts, dance or science. Because if you’re having fun, then discovery, development and friendships come easy!

About Bend Ice
Bend Ice is Bend Park & Recreation District’s community partner in helping promote and develop ice sports available at The Pavilion including hockey, curling and figure skating. Founded in 2010, Bend Ice traces its roots to a small group of ice sports enthusiasts dedicated to creating a culture of ice sports in Central Oregon. A non-profit, community-supported organization, Bend Ice has seven active Board members and a team of dedicated volunteers.

Bend Ice Figure Skating Club
Come meet new friends, develop your skating skills and have a blast! The Bend Ice Figure Skating Club is perfect for skaters who have mastered basic skating skills equivalent to level 4 and above. Club members get access to exclusive practice ice time to skate as a team and prepare for testing, competition and exhibition events. Joining the club helps take an individual sport to a team sport and gives skaters the opportunity to skate with like-minded athletes.

Bend Rapids Hockey Club
The mission of the Bend Rapids Hockey Club is to provide travel teams an instructional and competitive environment aimed at developing hockey players. The club’s philosophy is to provide both on-and-off-ice training using USA Hockey trained coaches for U8, U10, U12, U14 and high school teams. Adhering to USA Hockey safe sport policies, the club offers a competitive travel schedule designed to stretch players as they develop into excellent athletes and young people.

Cardio Fitness & Dance
Features: Move and groove with us. These classes are full of variety with dance, step, kickboxing and always your choice of high- or low-impact. Engage your muscles and get your heart pumping for increased strength and resilience.

More at: bendparksandrec.org/cardio

Mind & Body
Features: Rooted in traditional practices, Mind & Body classes aim to improve your overall health and well-being through stretching, focused breathing, relaxation techniques, movements and poses that bring flexibility and strength together to develop joint mobility. Yoga, Pilates, Tai Chi, meditation and other practices are known to support both physical and mental awareness and wellness.

More at: bendparksandrec.org/mind-and-body

Strength & Conditioning
Features: Improve your day-to-day function with strength and conditioning! Burn calories at a higher rate through resistance training and use a variety of equipment to increase your muscle strength, metabolic rate, endurance, bone density and balance.

More at: bendparksandrec.org/strength-and-conditioning

Water Fitness
Features: Water is a great equalizer! Help rehabilitate an injury, cross train to enhance athletic performance or simply enjoy the feel-good nature of a warm water workout. The buoyancy and natural resistance of the water creates an optimal exercise environment with little to no impact on your joints while improving cardio fitness and strengthening muscles. No swimming skills are needed and classes held in deep water use floatation devices. Water shoes recommended.

Park & Facility Rentals:

For Your Next Event

Consider a Bend Park and Recreation District facility or park for your special celebration, meeting or event. Offering a variety of buildings and places, BRPD has the rental spaces available to match your event needs.

**ASPEN HALL** is located in beautiful Shevlin Park, just minutes from downtown. The hall features open-beamed ceilings, polished concrete floors with wood-framed windows and a full kitchen. Doors open out to a beautiful patio, towering pines, lawn and shimmering pond.

**HOLLINSHEAD BARN** rests in a lush park in the heart of Bend. The two-story barn combines the charm of its historic origins with a cozy, intimate atmosphere. Inside, the barn has gorgeous wood floors and an accessible elevator to the second floor. The outdoor space features a fenced-in lawn, two patios and outdoor benches.

**RIVERBEND COMMUNITY ROOM** is located in the District office and available for presentations, meetings or small events. The room opens up to an outdoor plaza overlooking the Deschutes River and Riverbend Park.

**THE PAVILION** welcomes groups for birthday parties and other special events. Bring the gang for open skate and rent the party room. In addition, the entire facility is available in the non-ice season.

**THE ART STATION** is the perfect place to host birthday parties and other get-togethers. Art parties and clay parties are available for children and adults.

**PARK PICNIC SHELTERS** are a great option for a variety of events, including company picnics, family gatherings, weddings, receptions and more. And bonus! Because shelters are outdoors, the requirements during the pandemic are more lenient. Fees are based on the size of your group and type of function.

**PARKS & SPORTS FIELDS** are available for rent. Fees are based on the size of your group, park amenities, type of function and duration of your event.

Visit [bendparksandrec.org](http://bendparksandrec.org) or call (541) 706-6149 for rental details, virtual tours and reservations.

About renting during the pandemic:

Renting a facility and hosting an event during the pandemic has a number of public health and safety requirements and they can change frequently. Please be sure to inquire with BPRD rental staff about details.

Park Features & Amenities

Get out and play with our features and amenities guide. Need to know how to get to a park? An interactive map is available online at bendparksandrec.org and a print map is available at our facilities.

For additional information on parks and trails, visit our website at bendparksandrec.org or call (541) 389-7275.

**Park & Trail Rules & Regulations:**

These rules are in place for the safety and enjoyment of all park users. Park users are responsible for knowing and following all park rules. This is a partial list.

For the full rules and regulations text, call 541-389-7275 or visit our website at bendparksandrec.org.

For non-emergency police matters, call 541-693-6911.

For emergencies, dial 911.

- Parks and trails are open 5:00 am to 10:00 pm daily.
- City ordinances require that dogs must be on leash at all times within the city limits (except at designated off-leash areas) and their waste properly removed. Dog “rest stops” along the trails and in the parks provide you with disposal bags and trash cans. Dogs are allowed in all parks except for Riley Ranch Nature Reserve.
- Do not litter. Trash cans are located throughout the park and trail system.
- Vehicles must remain on roadways or in parking areas. No parking on district property between 10:00 pm and 5:00 am.
- No camping, smoking or fires allowed. Alcoholic beverages allowed by permit only.
- Feeding geese, ducks, other waterfowl and wildlife is not allowed.
- Removing vegetation is not allowed.
- Propane cook stoves are allowed; no charcoal grills allowed.
- Metal detectors allowed by permit only.
- The use of airborne projectiles, including golf and archery, is not allowed.
- Sales and concessions are allowed by permit only.

**Trail Use:**

- Some sections of the trail are on private property. Please stay on the designated trail.
- Areas along the river are sensitive wildlife habitat. Please do not walk along the river bank.
- Bicyclists are not allowed on some sections of the trails or in Riley Ranch Nature Reserve. Please observe pedestrian-only trail sections. No motorized vehicles allowed on trails.
