

Thank you for considering Alpenglow Park for your public event. The information below provides you with specific event details for the use of Alpenglow Park.

### Amenities

- Four acres of turf area conducive to special events
- 12 feet wide asphalt pathways around the lawn areas give vendors easy access for vendor setup and cleanup.
- Vendor tents set up along the turf, on the inside of the asphalt pathway, adjacent to pathways allow for ADA accessibility.
- Covered, 39 ft by 17 ft event stage with 6 ft access aisles on either side.
- Electrical service at event stage:
  - Two, 50 Amp 240-Volt single wall mounted receptacles
  - One, 30 Amp 240-Volt single wall mounted receptacle
  - Four, 20 Amp 120-Volt double duplex wall mounted receptacles
  - Three, 20 Amp 120-Volt duplex wall mounted receptacles
  - Three, 20 Amp 120-Volt duplex ceiling mounted receptacles
- Potable water is available at the picnic shelter.
- Concrete portable restroom pad for up to approximately 10 units (includes one ADA unit)
- Park entrance gate unlocked at 5:00 AM and locked at 10:00 PM

### Parking/Vehicles

- 159 parking spaces are available on-site between the north, main, and south parking lots. These spaces are shared by trail and park users and are not exclusive to events.
- Event organizers are encouraged to coordinate with the Bend-La Pine School District using their [facility use webpage](#) to secure additional parking at nearby Caldera High School. Shuttling between sites may be necessary and should be included in the parking plan.
- The Bridges community is located on the east side of 15<sup>th</sup> Street across from Alpenglow Park. This is a private neighborhood and event organizers must communicate to event staff and attendees that parking is prohibited in that neighborhood.

Any variance from the park use conditions must be pre-approved by Bend Park and Recreation District.
