

Greetings,

We are pleased to announce that [exhibitor registration](#) is now live for Bend Park & Recreation's annual health fair to be held on **June 9, 2026**. This fair, previously called the "For The Health of It! Health and Wellness Fair" has a new name this year, the **Live Well, Age Well Expo**. This year's event will be held at **The Pavilion** due to construction on our new Art Station adjacent to Larkspur Community Center. We are excited about this new location – it is a beautiful space with plenty of parking and a roof overhead to keep you shady and/or dry, depending on the weather.

Live Well, Age Well Expo

Tuesday, June 9, 2026

11am - 2pm (*an hour earlier than last year*)

The Pavilion - 1001 SW Bradbury Way in Bend

Booth fee: \$75 non-profit / \$125 private or commercial

We invite senior service providers, health and wellness practitioners, fitness experts, nutritional counselors, medical professionals and other appropriate entities to participate in this exciting event. Last year we hosted 52 exhibitors and welcomed over 600 attendees!

This is a great opportunity to market your organization to one of the fastest growing populations in our area, older adults. The event will feature a free community lunch, local service providers, fitness demonstrations, food tasting, health screenings, nutritional supplement samples and demonstrations as well as an opportunity for attendees to interact with the exhibitors.

**We are particularly interested in organizations that can provide any of the following services at the event:**

- Health screenings
- Diabetes testing
- Glaucoma & visual acuity testing
- Bone density screenings
- Hand grip-strength testing
- Balance testing
- Hearing testing
- Height & weight measurements
- Blood pressure checks
- Spinal muscle tension evaluations
- Healthy food demonstrations
- Mini-therapeutic shoulder massages
- Dental screenings

Space will be allocated on a first-come, first-served basis. To balance out offerings and provide the best event possible for our community, we may need to limit the number of providers in any one service area (ex: home health, physical therapy, nutrition, etc.). Please make sure to indicate your service area(s) when applying, and we will do our best to accommodate you.

The fee to participate is the same as last year - \$75 for 501(c)(3) non-profits and \$125 for private or commercial enterprises. Please bring your own table, or we have a limited number of tables available for an additional \$15 fee. We also have limited electrical outlets available for \$15.

#### Registration Instructions
