

Bend Park & Recreation DISTRICT

2026 - 2027 Youth Sports Leagues Registration Deadlines

Youth sports leagues are filled with great fun and action! In order for staff to get leagues properly organized for all the teams, uniforms, gear, coaches, practices and games, registration needs to be in advance of the season - sometimes several months ahead.

So that you and your child don't miss out, make note of the important deadlines below, register on time and get on the team!

- **All registrations are dependent on availability; some leagues fill faster than others.**
- **Registration deadlines are typically on Sundays at 11:59 p.m.**
- **Hold periods are needed to organize registrants and teams and determine if space availability.**
- **When a hold period is over, registration or a wait list will available on re-opening.**

Fall 2026 Registration: Leagues open early August 4
